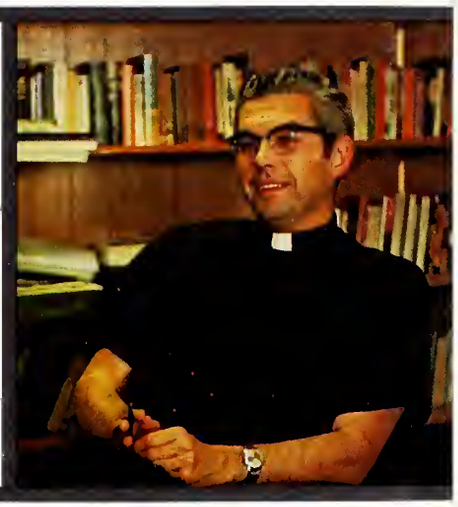
ADMINISTRATION AND FACULTY



The Class of '69, like most recent classes graduating from Santa Clara, leaves a campus remarkably different than the one they came to as freshmen. Part of the change is normal growth and development, part of the change carries the brand of '69. SCCAP, Just Us, STOP, Pipestage, Club 66 began at Santa Clara during your years here, and you have left your mark on all of them.

Probably the most important change during your years at Santa Clara was the steady increase in the number of Mexican-American students and black students. For most of us this was a new experience, but one long overdue. Until we become informed and concerned, we shall do little to eliminate racism.

During a time of severe racial tension and a time of widespread and violent disruption on other university campuses, many of you have been concerned and involved. You have also accepted greater responsibilities as the University offered them to you. I have high hopes that you have something constructive to offer a society which desperately needs help. May God bless you in the years that lie ahead.

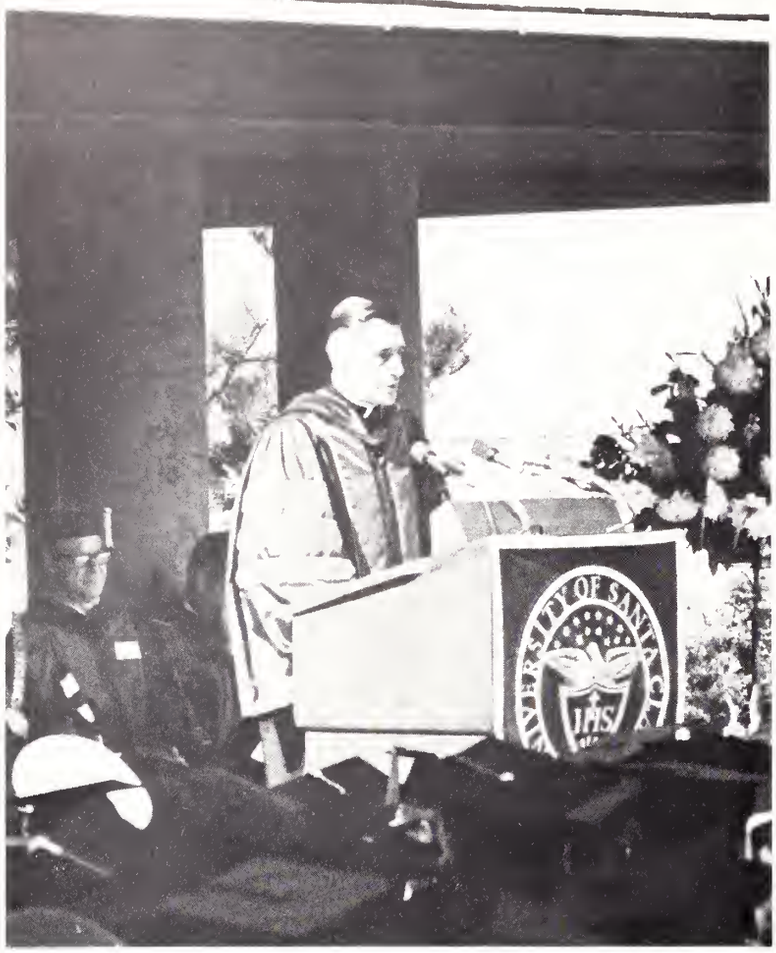
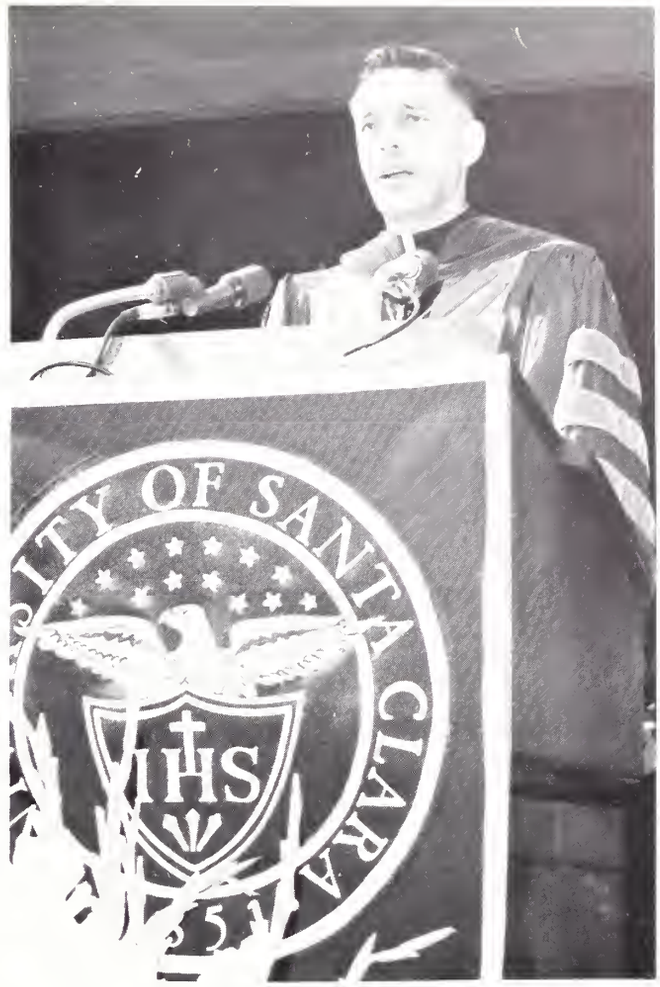
YEAR



FATHER TERRY



INAUGURATED

"Your accession to office, Father Terry, yields a confidence that the precious traditions of which we are trustees can successfully be fused with answers to the new and urgent problems that crowd in upon us."

Aidan Gough
President, Faculty Senate

"I am honestly convinced that the crises that dislocate and disrupt are not the crises of disintegration and decline. The crises come because we are in the midst of the greatest and most promising revolution in all human history . . . We must have mature perspective and the understanding that periods of great change must be periods of great turbulence."

Dr. Abram Sachar
Chancellor, Brandeis University

"Only a Rip Van Winkle could be excused from knowing that the undergraduate colleges are also not what they used to be . . . If we are to arouse in the student any enthusiasm for his education, we would do well to relate it to. . . a concern for human dignity, for social justice, for political freedom. . . At a time when much publicity is being given to the turmoil on campuses and the impossible burdens of college presidents, I am very pleased and very grateful to be given the responsibilities of the President of the University of Santa Clara. . . Higher education, and particularly Catholic higher education, is changing rapidly in response to changing needs. I am confident that Santa Clara will have much to contribute to this, and I am proud to be part of it."

Thomas D. Terry, S.J.

AMICI DELLA MUSICA AND UNIVERSITY CHORUS

The Amici della Musica, Santa Clara's professional orchestra in residence, is conducted by Richard Williams. The orchestra's activities included a tour of Southern California, and programs which featured Beethoven's Fifth Symphony, Webern's Symphony Opus 21, and Stravinsky's Pulcinella Suite.

The Chorus, under the direction of Lynn Shurtleff, performed Berlioz's "Birth of Christ" for the Christmas concert, and Vivaldi's "Gloria" at Easter. By audition, the outstanding singers from the Chorus are chosen for the University's Chamber Singers. This year the Chamber Singers performed Faure's Pavanne, and a Spring concert which featured a Schubert mass, as well as German, Japanese, and Norwegian songs.

HOMECOMING

this year, like all great events, had its ups and downs. Although it began with the disappointment of a two-hour seat-squirming at the San Jose Civic Auditorium for a no-show Four Tops concert, the rest of the week was anything but disappointing. Al Hirt convinced many that his "America's Greatest Showman" title is justly deserved. Santa Clara proved to be extremely receptive, providing the jazz artist with a standing ovation. Music was just a small part of the Homecoming scene. The International Club sponsored the fund-raising "Ugly Man" contest. In a last minute stretch run, John Zoria garnered over 14,000 votes to become the undisputed campus eyesore. John received a free dinner for two at the old Bronco Corrall II as the winner. He proclaimed his coronation "the biggest thrill of my life." On Stanton Field, Charlie Graham and Kappa Zeta Phi held their annual mud-slogged tug of war and the good old greased pole was hoisted once again. The main attraction, however, was the rough and tumble "powder puff" football tourney. Displaying the well-practiced maneuvers and razzle-dazzle only co-eds can come up with, the four teams battled their way through two days of fierce matches. For the second year in a row, the pink-shirted "Gopherits" carried off top honors. While part of the female population was playing football, others were being considered in the election for Homecoming Queen. During the intermission of the Al Hirt concert, the new queen was presented: Gayle Wells, co-sponsored by the Black Students Union and the Accounting Club. Last year's queen, Cindy Lund, crowned Miss Wells. The final day of the week commenced with the Homecoming Parade. The traditional event featured colorful floats, put together through many hours of all-night work, as well as bands, baton twirlers, and drill teams. The class of '70 came away with first place money for their "Sooperstishun Saloon" float. The action shifted to Buck Shaw Stadium in the afternoon for the annual Homecoming game. The stands swelled with alumni and student rooters, who watched the Broncos grind out a hard-fought 27-21 win over the Long Beach State '49ers. De Saisset Art Gallery hosted the closing function, the Homecoming Ball. "Barbary Coast Fandango" was the theme for four hours of dancing, the finishing touch on a most memorable week.

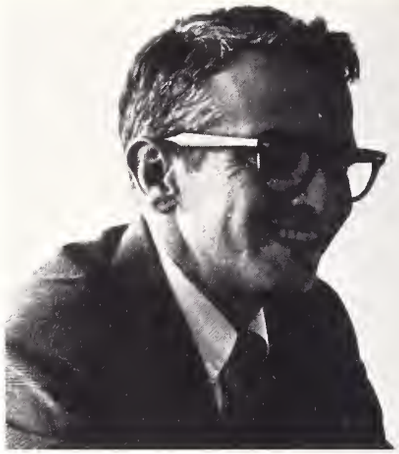
SPECTRA 69

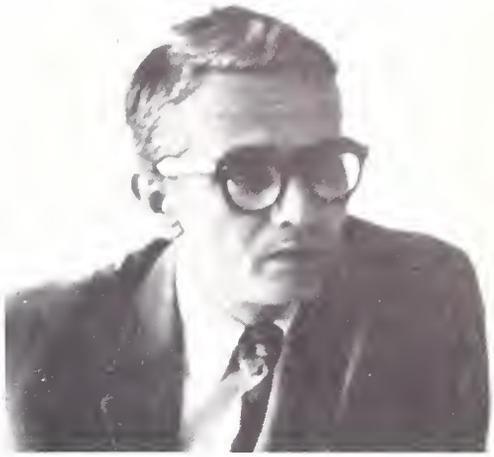
Santa Clara's Spring Arts Festival provided a whirlwind week of events, exhibits, and concerts. Al Fabyancic, coordinator of Spectra '69, put together a program which appealed to the many and varied tastes of the Santa Clara community. The Festival opened with the ballet Celebration of Sacred Dances, featuring guest artist Dan Wagoner, and Diana Morgan Welch, Santa Clara's artist in residence. A film series was presented during the week featuring the work of Bay Area film makers in competition for cash awards totalling $600. A photography exhibit in the Red Lounge featured the work of Santa Clara cameramen, while a sculpture contest was held in Pipestage. A Fine Arts showing at De Saisset Art Gallery, arranged by director Mrs. Lydia Modi-Vitale, featured originals by Picasso, Gaugin, and Duffy. Concerts were given by the Chorus and the Amici della Musica. Liturgical celebrations in the Mission included a Folk Mass, a Byzantine Mass, a Jazz Mass, and a Gregorian Mass.

Four concerts highlighted the Spectra '69 week. The first featured pianist Earl Wild, one of the most outstanding musical talents of our time. His program featured major pieces by Bach, Chopin, and Rachmaninoff. The space music of Sun-Ra and his jazz Arkestra took a free-form excursion into the far reaches of sound and sight in a multi-media concert. The group features twenty musicians, clad in brightly-colored costumes, playing instruments both well known and relatively unknown because of their African or Middle Eastern origins. Joan Baez, an ordinary looking folksinger with an extraordinary sound, presented the third concert of the week. Her exciting repertoire, always outside the mainstream of pop-rock fads, made her a favorite with the SC audience. The frosting on the Spectra cake was provided by Hugh Masekela, South African contemporary songwriter and trumpeter. His title "The Man from Chisa" (Chisa is a Zulu word meaning to goove or swing) was proved appropriate during the program.

CONFRONTATION AND SIT-IN



Black Students Union (BSU), Mexican-American Students Committee (MASC), and the Students for Democratic Action (SDA) members confronted the Santa Clara community at dinner in Benson cafeteria in January. To awaken the campus to black and brown students' unique situations, the organizations presented four demands which they termed "non-negotiable." University administrators, meeting with the organizations' leaders the next morning in response to the demands: (1) noted that a course in black history was already offered, although not compulsory; (2) granted the SDA office space and a budget allotment; and (3) agreed to formulate, with student assistance, a course in Chicano culture.



DEAN OF STUDENTS

Firing of two student prefects for violating the parietal hour limits provoked a mass-meeting confrontation of administrators and a day-long occupation of the Dean of Students' office by the prefects' supporters. The conflict expanded to include broader issues and questions: where power is really located in the university's structure; to what degree students' voices reach that power source; how much autonomy students should exercise.

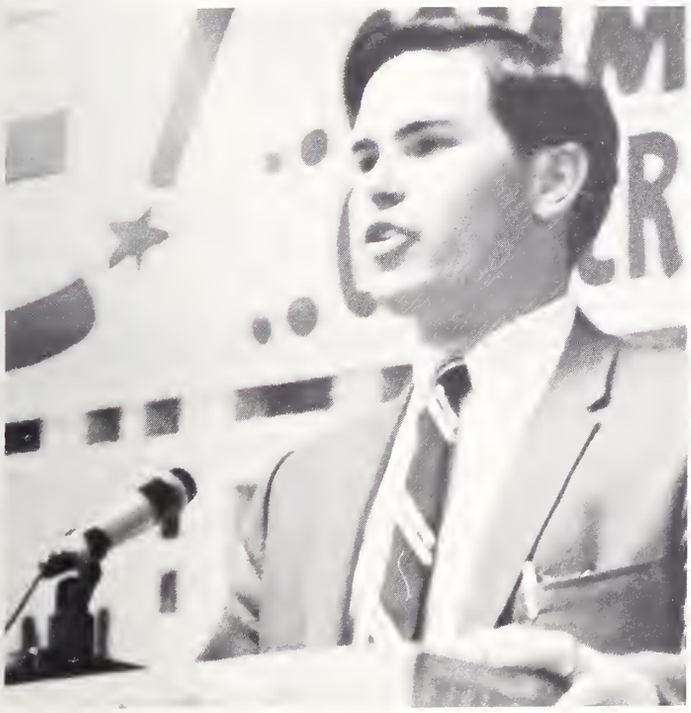
On the advice of the President's Council, Father Terry submitted the prefects' case to the Board of Appeals, and, although he disagreed with the Board's decision to reinstate the prefects, he let their decision stand. He thereby upheld the decision-making channels sanctioned by the ASUSC Constitution.

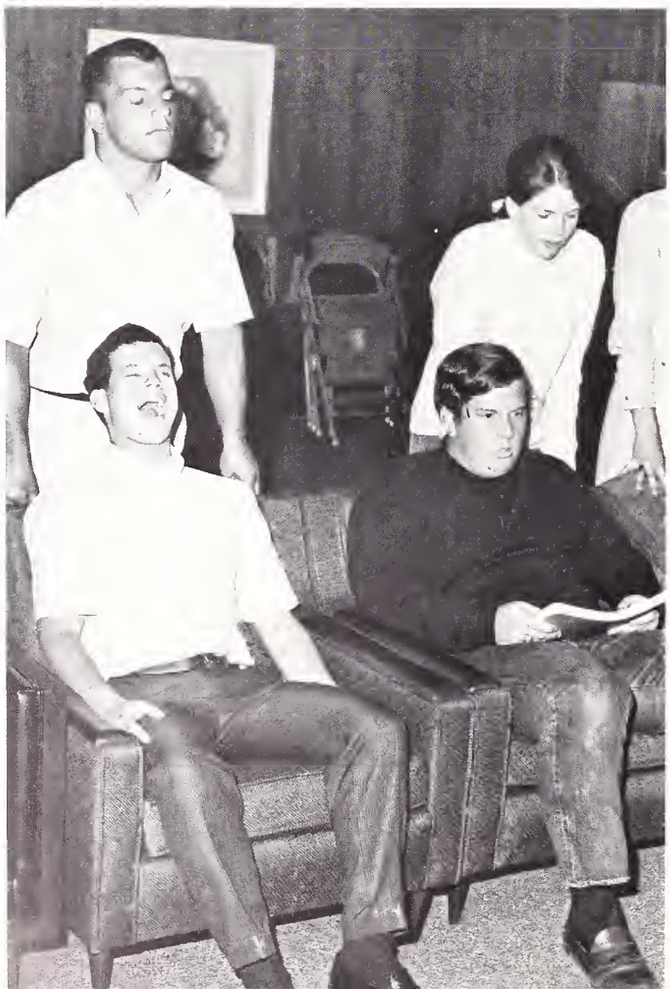
The two prefects later submitted a letter of resignation.

CAMP EDWARDS

ELECTIONS

To be that catalyst which will allow the ideas and values of Justice Clarence Darrow to flow beyond the institutional boundaries of the university.
THOMAS PATRICK EVERTSEN • NEW DIRECTIONS • THOMAS PATRICK EVERTSEN • NEW DIRECTIONS • THOMAS PATRICK EVERTSEN • NEW DIRECTIONS • THOMAS PAT





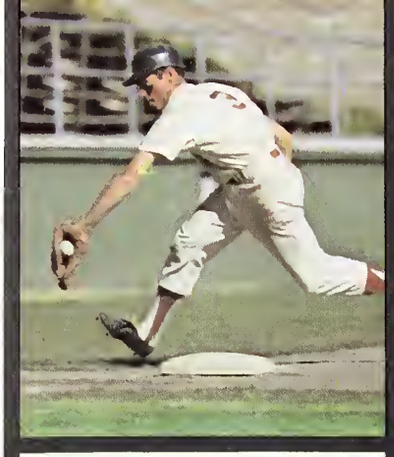
Events of the past year, from confrontation to sit-in, had somewhat rudely awakened the sleeping Bronco. When the issues are staring you in the face, like a Benson meal, you are forced to make a decision, to take a stand. This year's student elections came at probably the most crucial time in the present life of the University. The question: how fast is the University going to attempt solutions to its problems? Will it risk hasty experiments in hope of quickly hitting the right answers, or will it try to solve them slowly over the next few years, attempting to avoid any possible mistakes.

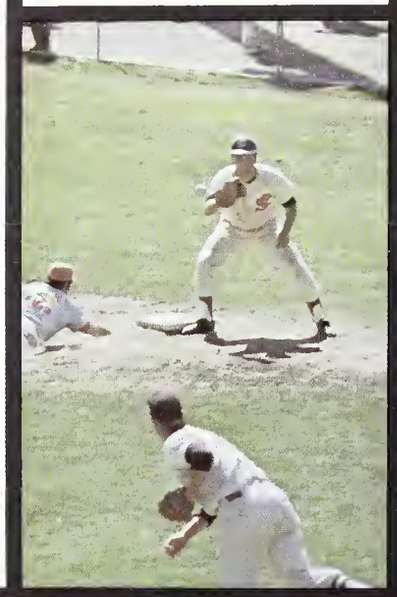
In a perhaps too emotional election, the supporters of Gary Horgan and Tom Evertson nearly split the school down the center. The candidates became the "Conservative vs. Liberal" symbols to the student body. Led by Junior support and taking advantage of the weighted vote, Gary narrowly beat Tom for the ASUSC presidency with the promise that he will do his best to solve our problems, from the need for minority students to that of increased student responsibility through conventional channels.

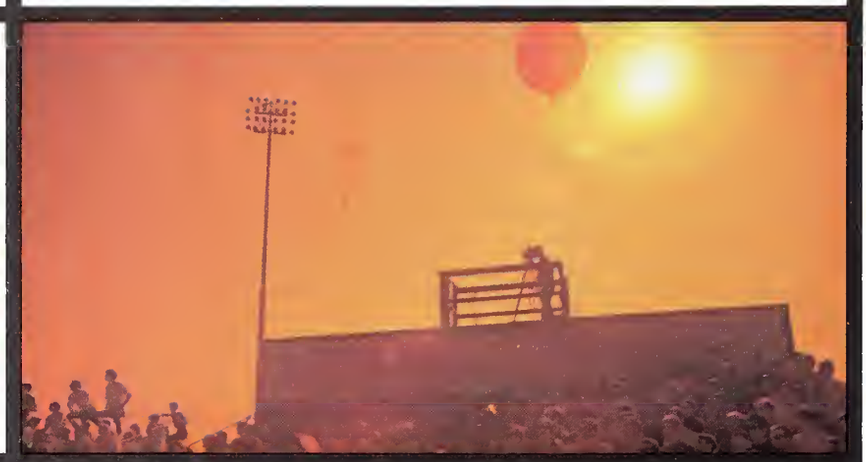
The election for executive vice-president involved basically the same issues. With a platform similar to that of Horgan's, Sue Naumes beat Ed Walsh, but by a much more convincing majority of votes than involved in Horgan's presidential victory. Dave Oyler triumphed over three other candidates for treasurer in an election requiring a run-off, providing a victory for the "Liberal" faction.

In the other elections, Linda Kambested and Paul Hogan were elected to the offices of secretaries; Bob Boldizar became the new social vice-president, and Shawn Harker, running unopposed, was elected head cheerleader.

HORGAN NARROWLY DEFEATS EVERTSON







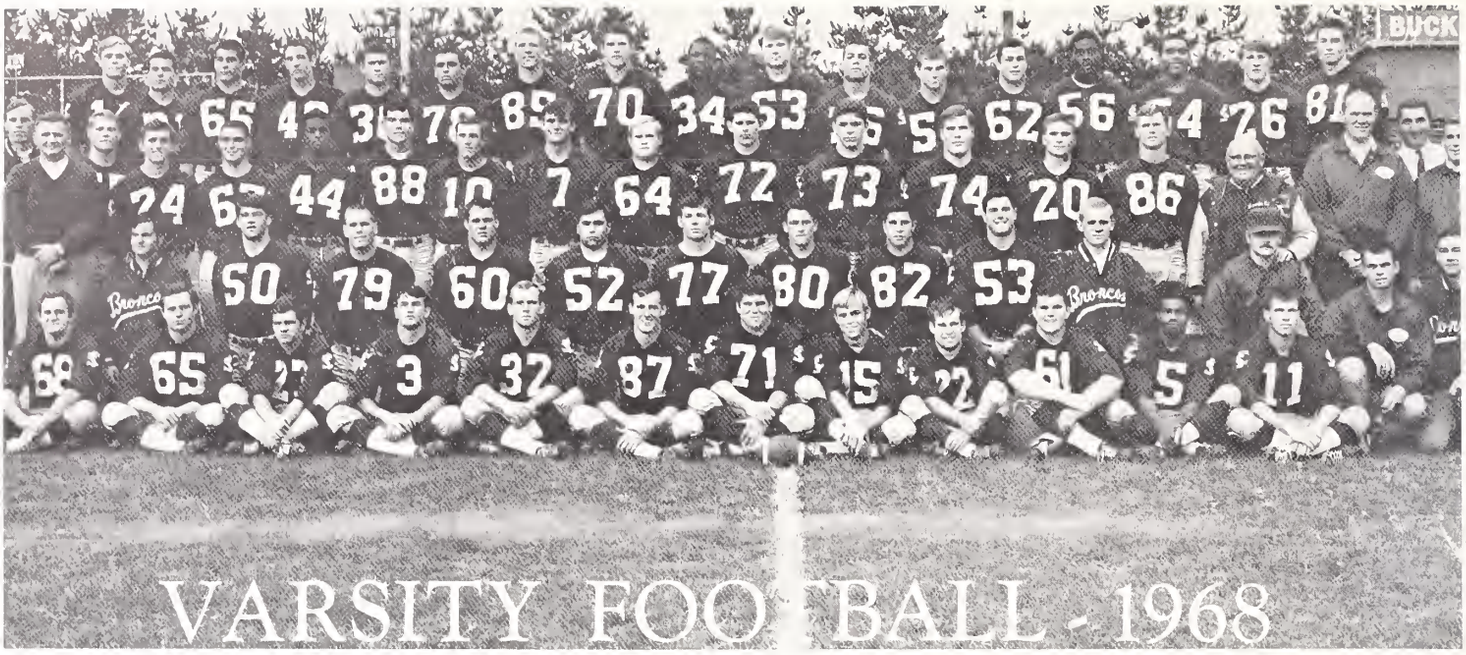
SPORTS

FOOTBALL

With the graduation of seventeen lettermen from the fine Bronco grid machine of 1967, Coach Pat Malley was faced with a major rebuilding job as the 1968 football season opened. With only five seniors on the squad the Broncos were inexperienced at many positions going into the Cal Poly game at San Luis Obispo. In the second quarter of that game Bob Rickard, the SCU quarterback, was trapped by a Mustang rush and suffered a hairline fracture in his passing hand. Dan Pastorini went into the contest and three plays later was carried out on a stretcher with a severely twisted ankle. Rickard returned to the field and later generalled two Santa Clara drives. However, this was not enough, as Cal Poly won 23-13.

On the road again, the Broncos met San Francisco State. Despite a laudable performance by reserve quarterback Tom McConnell, SCU fell again 19-7. Returning to Buck Shaw, SCU hosted UC Davis in a defensive stand-off. Davis' only threat of the night ended on the SCU 26-yard line when Steve Stanich recovered an Aggie fumble late in the second period. The lone Bronco threat of the first half ended in a wide 45-yard field goal attempt by John Rickard. With 1:11 remaining, Steve Sweeters intercepted an Aggie Aerial on the Davis 4-yard line. With less than ten seconds left, John Rickard split the uprights with his first field goal of the season to give the Broncs a 3-0 triumph, and maintain their home winning streak.

Cal Poly, Pomona, visited Buck Shaw next to meet a fired-up Santa Clara eleven with a healthy Pastorini at the helm. The Broncos ripped out 417 total yards as they crushed Pomona 34-14. In the next game at Stockton, University of the Pacific held a 24-7 halftime lead; but the Broncos roared back, trailing 30-22 with a first down on theTiger 30-yard line, when Pastorini was hurt again and the drive died. On October 19, the SC crew travelled out of state for the first time to meet the University of Hawaii. The Broncs led 12-9 at the half, but a renewed Rainbow attack and a tropical storm handed SCU a 23-12 setback.



VARSITY FOOTBALL - 1968

Long Beach State Rolled into town for the 1968 Homecoming tilt sporting one of the best passing attacks in California. On their first set of downs, Tim Johnson snagged an errant '49er Aerial on the SC 41-yard line. 57 yards and eight plays later Dick Nelson carried the ball in from the nine yard line. Long Beach State received the kickoff and again went to the air. Steve Sweeters came down with the ball deep in '49er territory for the second Bronco interception. Four plays later, Nelson scored again making it 14-0. After Long Beach scored on an interception, SC unleashed a drive that carried them the length of the field with Pastorini scoring on a keeper. In the second half Pastorini hit Nelson with a 45-yard "bomb." The '49ers roared back and it took an interception by Sweeters on the SC five yard line to ice the game. Final score: SC-27, Long Beach-21.

On November 2, UCSB ended the Broncos' 21 game home winning streak. The Broncos were stung by four fumbles, four interceptions, and one blocked punt, a torrential rainstorm, and a field that was ankle deep in mud. The season ended with a 19-12 conquest over Lewis and Clark at Buck Shaw. The season record was 4-5, but the loss of only five seniors off the 1968 squad surely points to an improved Bronco team in the future.

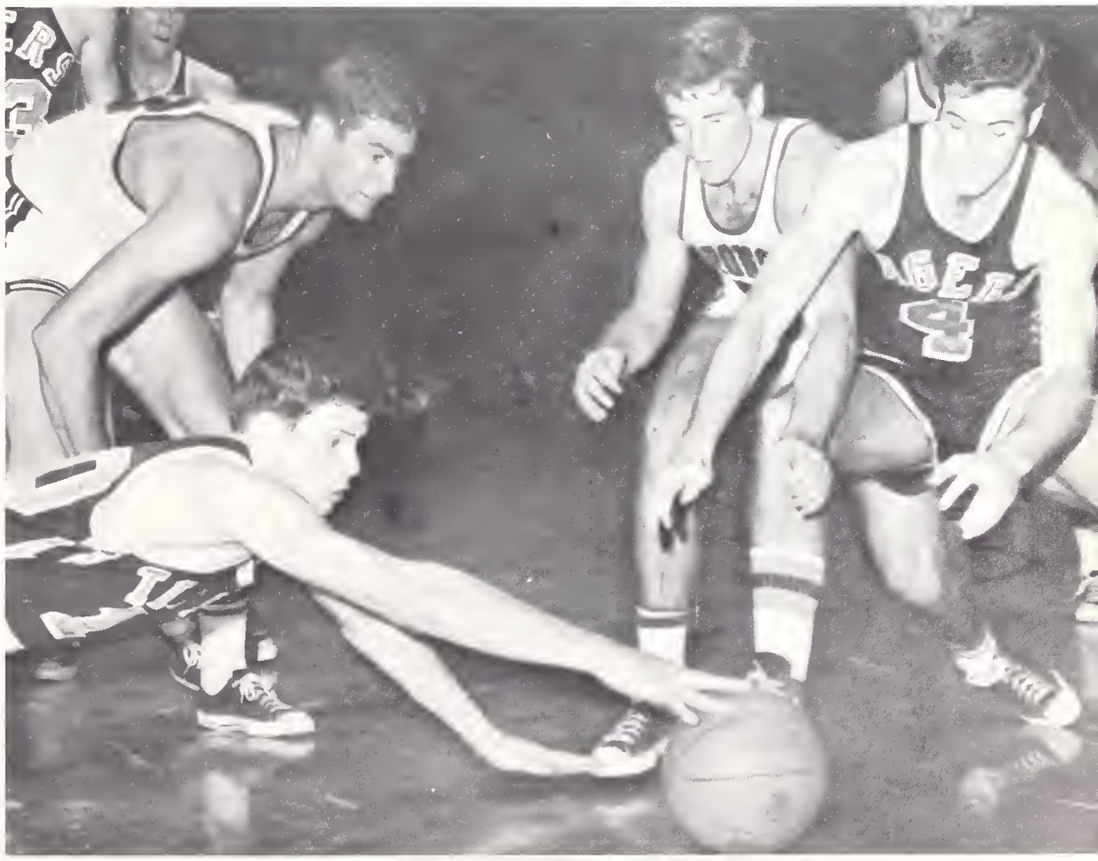
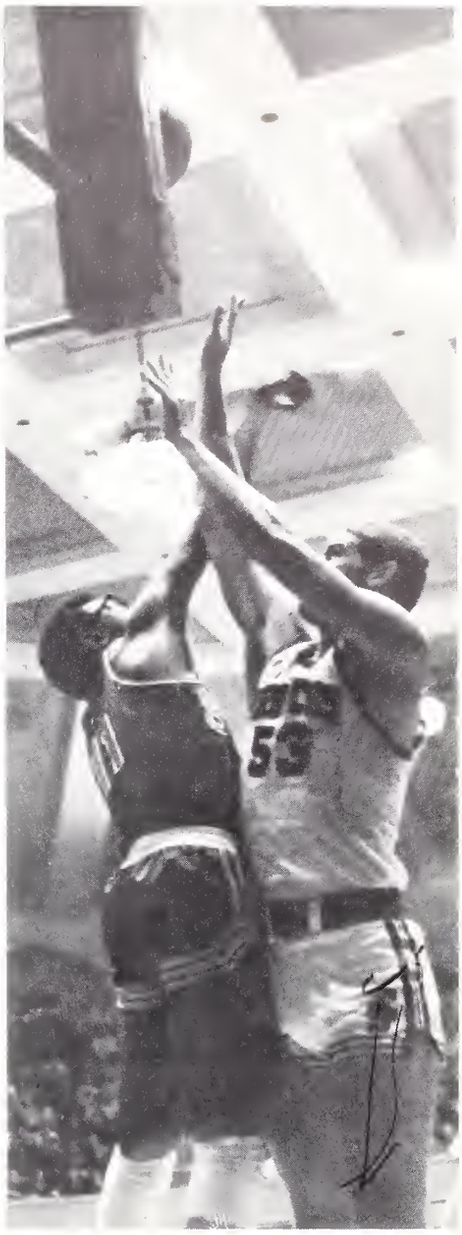
14
STATE



Having lost only one starter from a great '67-'68 team, the Broncos looked forward to great things as the '68-'69 season opened in November. After crushing three hapless foes, the SCU quintet waltzed into the Cable Car Classic to meet Houston in the first game of the tournament. The score was 27-23 at the half, but an inspired Bronco five roared in the second half as the Santa Clara express notched a 75-50 rout. After killing USF to capture the Cable Car Classic title, the Bronco bandwagon rolled to Honolulu where the Rainbow Classic was added to the lengthening collection of laurels. The WCAC schedule proved no challenge except for one slip on February 21, to San Jose State. This hardly phased the Broncos however, as they quickly got back on the victory trail to end the regular season with a 26-1 record.

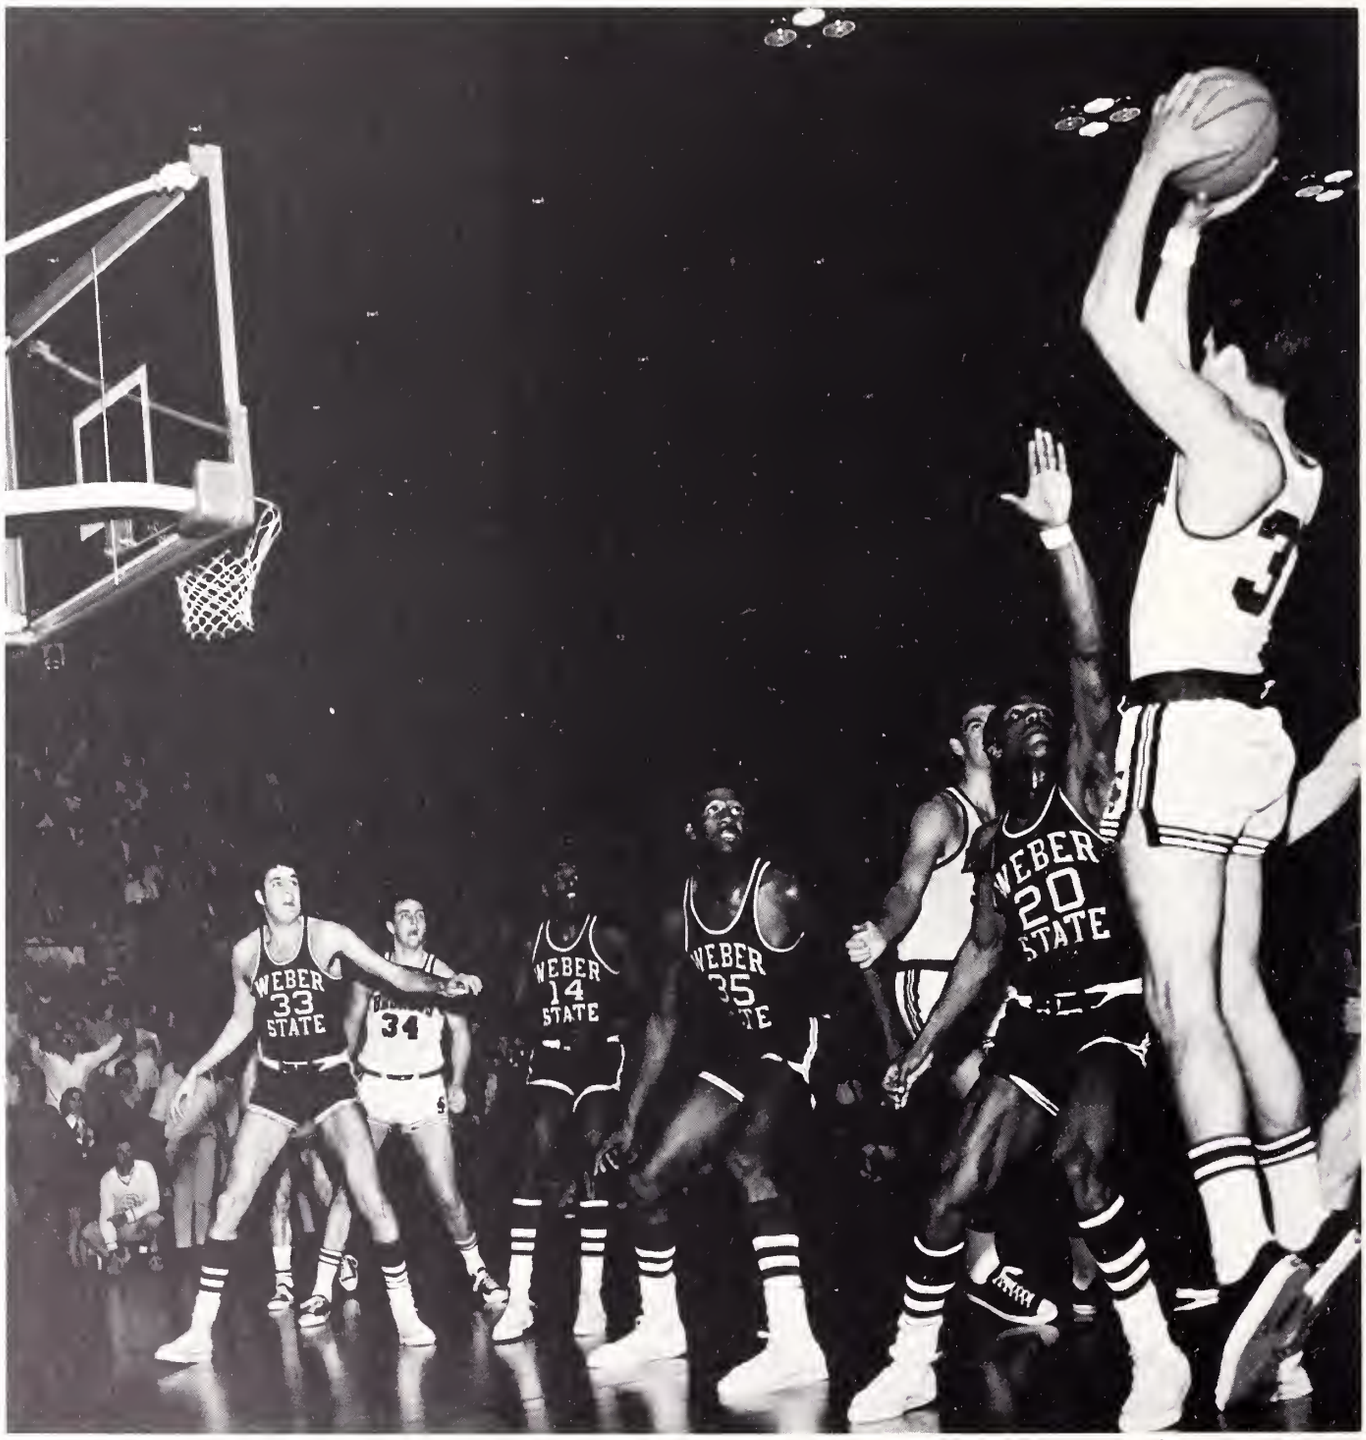
The year included three conquests over rival USF, and a second or third national rating in the wire service polls for most of the season. This resulted in Dick Garibaldi's receiving the Northern California Coach of the Year Award. This year, although Bud Ogden will certainly be missed, Dick will have a solid, veteran team returning and a fantastic group of Sophomores from last year's great Freshman team. All of this points to a bright future when the Broncos once again hit the hardwood in the late fall.

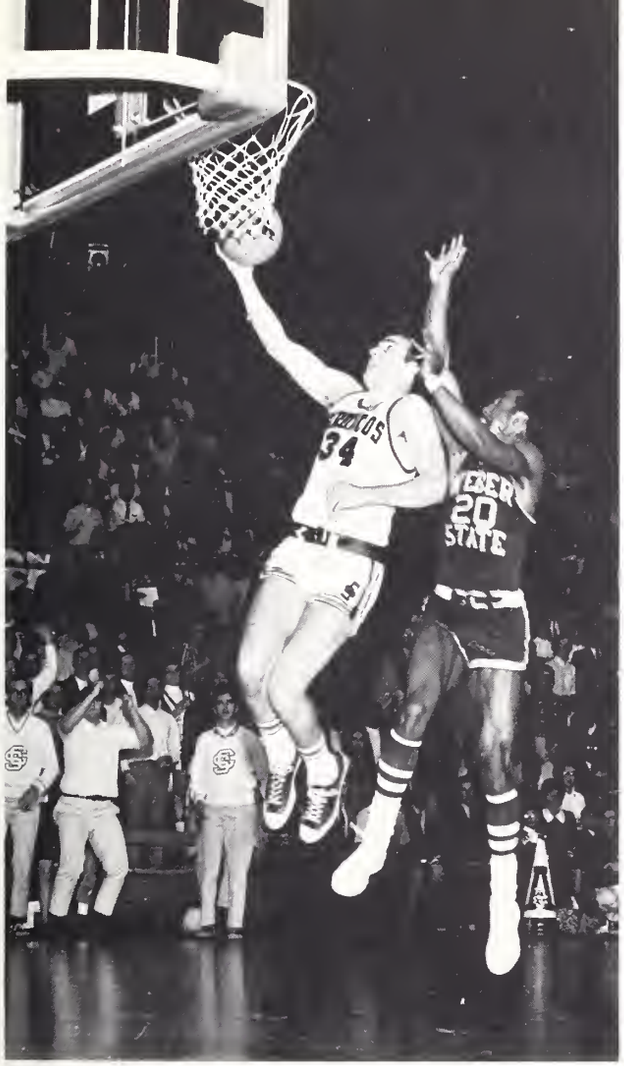
34



53

REGIONAL SEMI-FINALS





The Broncos met the Weber State Wildcats in the opening game of the 1969 NCAA Western Regionals. The SCU cagers showed the reason for their #3 national ranking in the opening ten minutes of the game as the Broncs jumped to a 27-9 lead. The Wildcats came back to trail 29-19 at the half. As the second half opened, the Broncos were sluggish and Weber State outscored SCU 19-5 to jump into the lead. The Broncos trailed by as much as six points as the second half waned. Refusing to panic, the red and white five surged back behind Dennis Awtrey to tie it at 55-all with 53 seconds remaining. With six seconds left, Awtrey fouled out, but Weber State missed the foul shots to send the game into overtime. In the extra period, Bud Ogden, Chris Dempsey, and Terry O'Brien scorched the nets to give SCU a close 63-59 victory. Awtrey was the game's high point man with 19. Bud contributed 18 points as the Broncos shot 46% from the floor and grabbed 44 rebounds to 35% and 42 rebounds for Weber State.

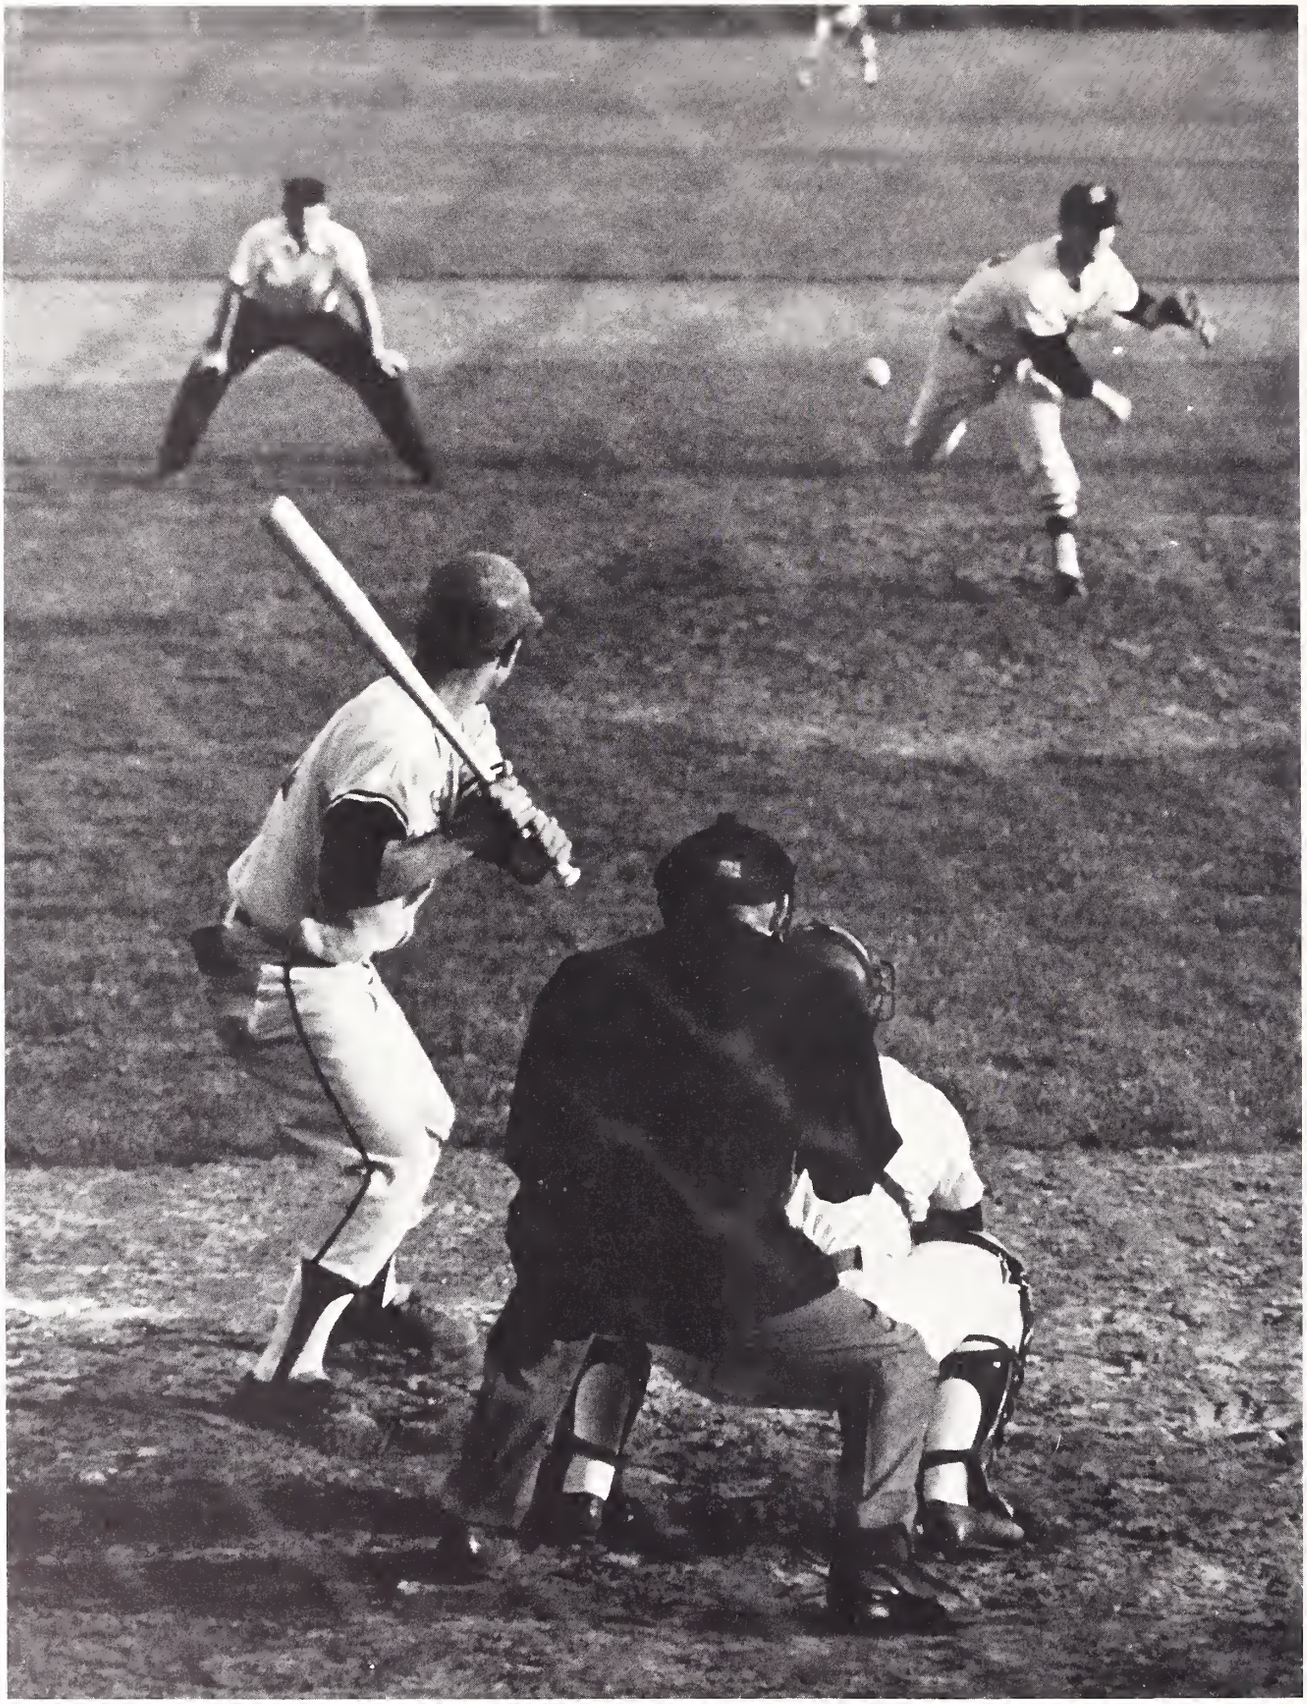
UCLA
52
54
54

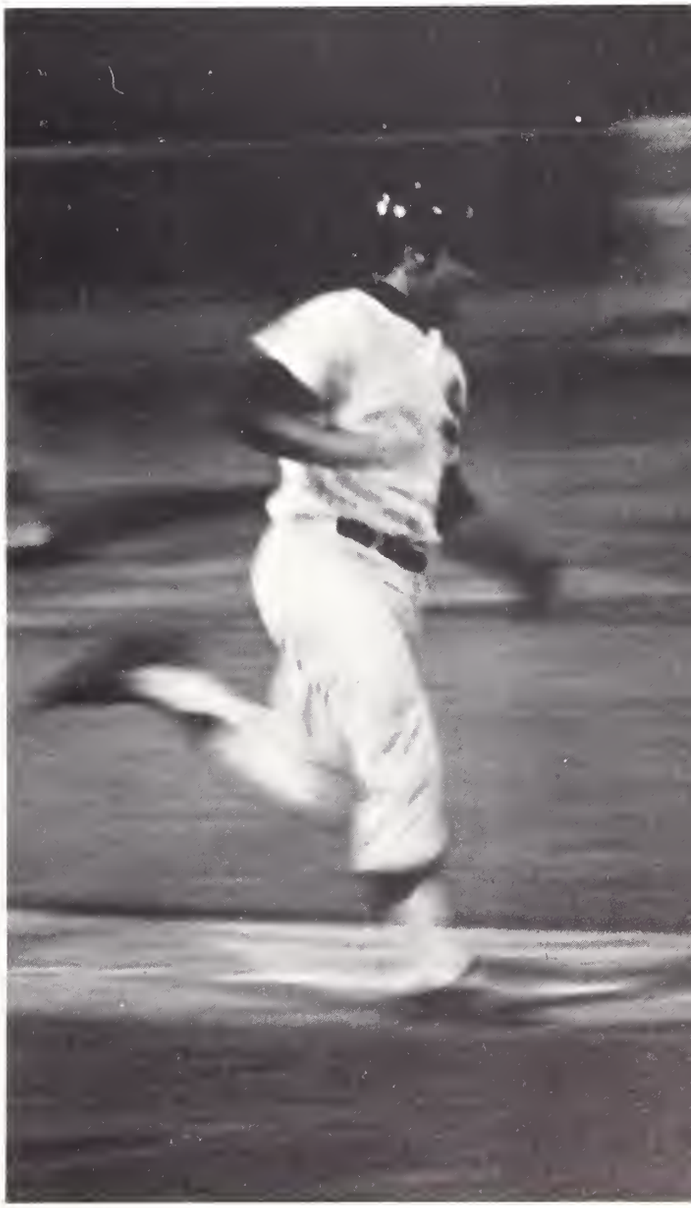
UCL
35

REGIONAL FINALS

The Western Regionals Finals game with UCLA was just one of those games. The Bruins couldn't do anything wrong on their home court as they shot 76% from the floor in the first half and 56.9% for the entire game. The Broncos couldn't even get started as the UCLA zone press took its toll causing 30 SCU turnovers. By the time the SCU five loosened up the game was out of reach. The score was 5-0 before SC got the ball into its own forecourt, 11-0 before we scored, and 18-2 before we started to play at all. At the half UCLA led 46-25 as big Lew made his presence felt by definitely hampering SC's highly-touted inside game. As the second half started, the Bruins reeled off ten straight points and for all practical purposes the game was over. The final score was 90-52. Awtrey had 14 points to lead the Broncos and Bud had nine as the Santa Clara quintet shot only 35.7% from the floor. The only bright spot in the entire afternoon was that we outrebounded the Bruins 42-39.

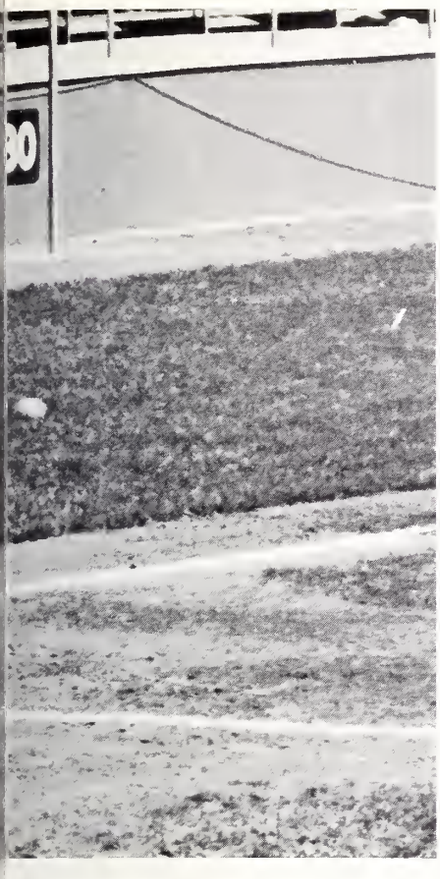
BASEBALL



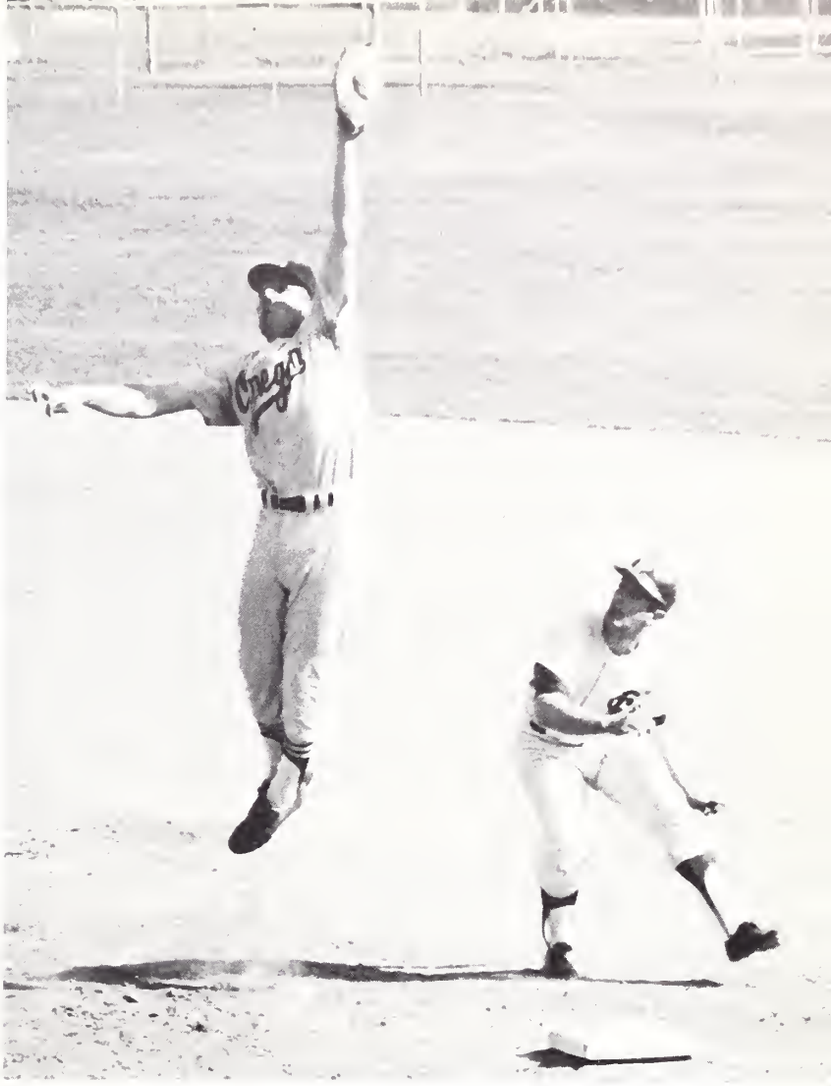


The 1969 baseball season was the best ever for the Broncos. Coach Sal Taormina's Bronco nine swept their first 14 games, averaging almost 8 runs per game and batting .350 as a team. Throughout the first half of the season the SC baseballers were hitting everything. Leading the charge were Bill Borelli and Bill McMonigle at over .500 and Vince Bigone, Hank Mott, Leo Rippo, and Alvin Strane at over .400. As the season progressed the Bronco bats cooled somewhat, (the final team batting average was .313), but the pitching staff, led by Jerry McClain, Scott Davi and Freshman sensation Rich Troedson, continued to mow down the opposition.

The season was highlighted by four wins over Stanford, a 9-3 record over Pac-8 competition, a 40-8 record over-all, and a 20-0 laugher over hapless USF. In that USF game, the Broncos scored 9 runs in the eighth inning for their biggest frame of the year. Among those 9 runs was a two-run "home-run" by Chris Bradford on a bunt to the pitcher's mound. The USF pitcher overthrew first base, and by the time the ball was returned to the infield, Chris was heading home, when the USF first baseman wildly threw the ball into the roaring SC crowd behind the third base dugout. The Broncos coasted to the WCAC crown for the second year in a row and ended the season ranked 7th in the nation. All of this earned the SC nine an invitation to the NCAA District 8 playoffs against UCLA.



29



The first game of the best of three series was played at Buck Shaw before 3,200 exuberant Bronco fans. Sal Taormina's club jumped to a quick 3-0 lead in the second inning on singles by Alvin Strane and Rich Troedson after a single and two walks had loaded the bases. The Bruins came back for three runs in both the fourth and fifth innings. Two of the fourth inning runs, and one in the fifth, were unearned. The Bruins scored again in the 7th frame before SC got two runs on bases-loaded walks. The Broncs were down 7-5 entering our half of the 9th and threatened to pull it out as we had so often during the season; but some confused coaching at third base resulted in Hank Mott's being thrown out at the plate to end the game.

SC travelled to Los Angeles hoping to win both ends of a double-header on UCLA's field. SC scored first on Vince Bigone's solo home run in the second, but the Bruins tied it on an unearned run in the fourth. The Bruins won the game 2-1 in the 10th inning after a fielding and throwing error by Alvin Strane, thus ignominously ending a triumphant season.

Broncos
Broncos

43
40

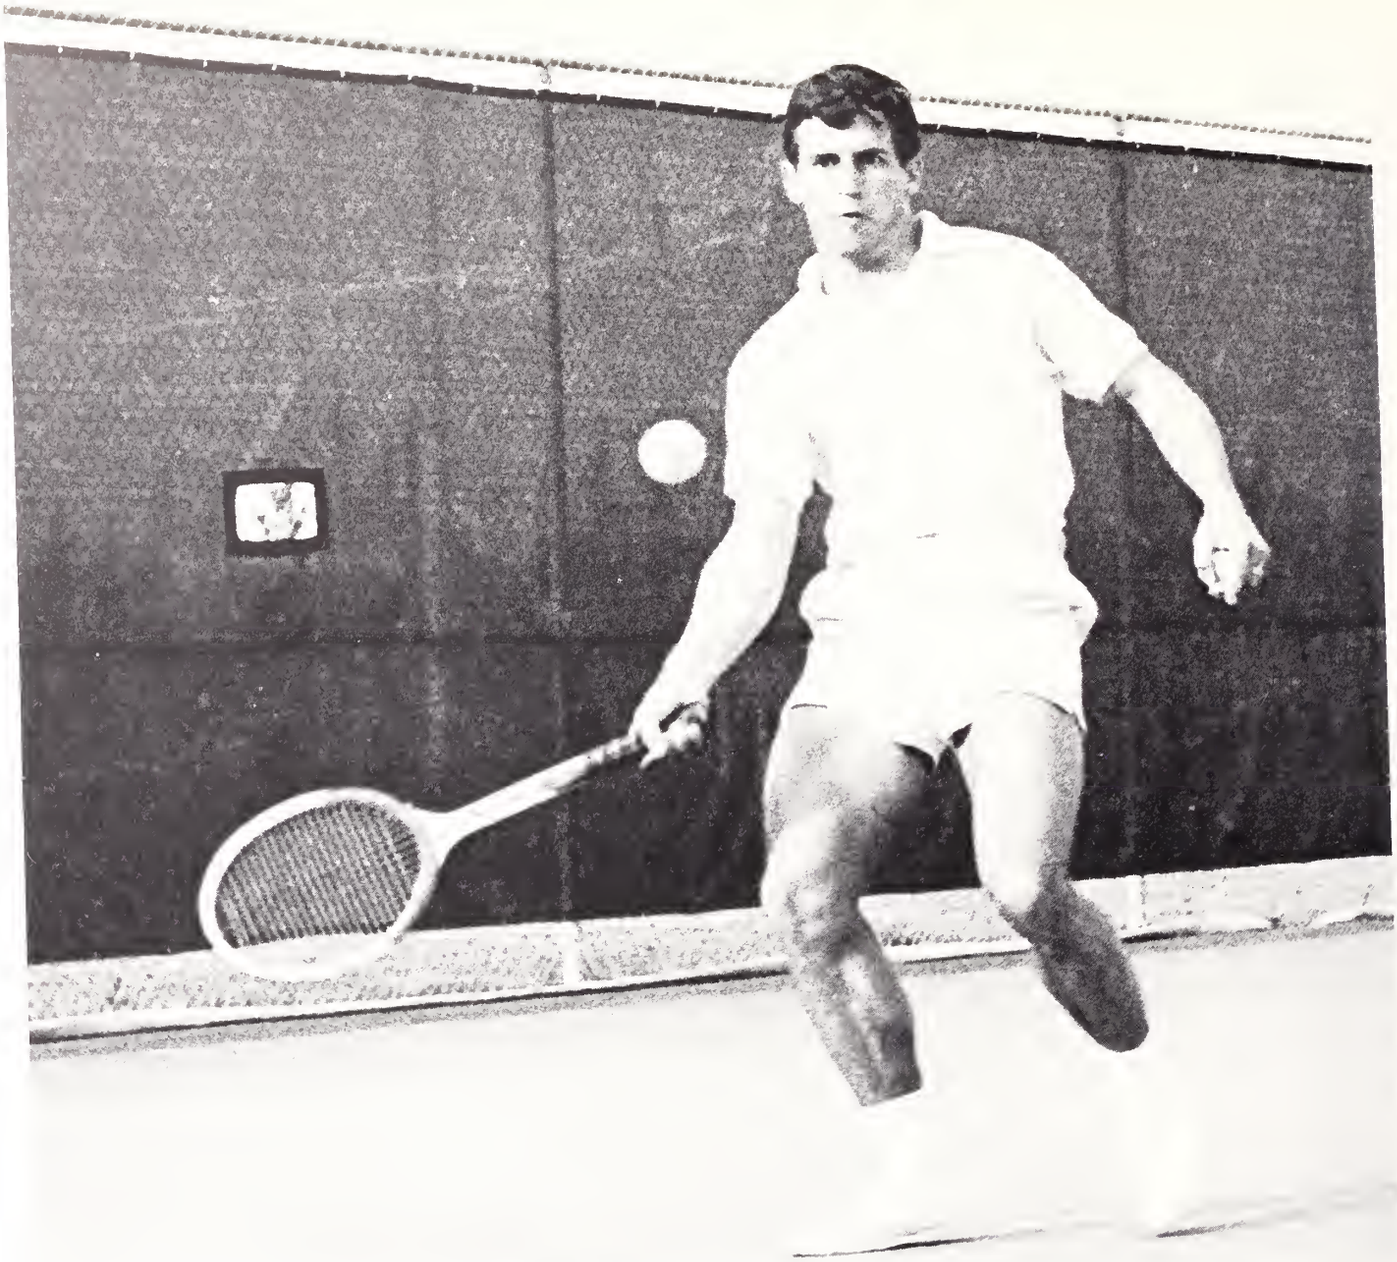
RUGBY

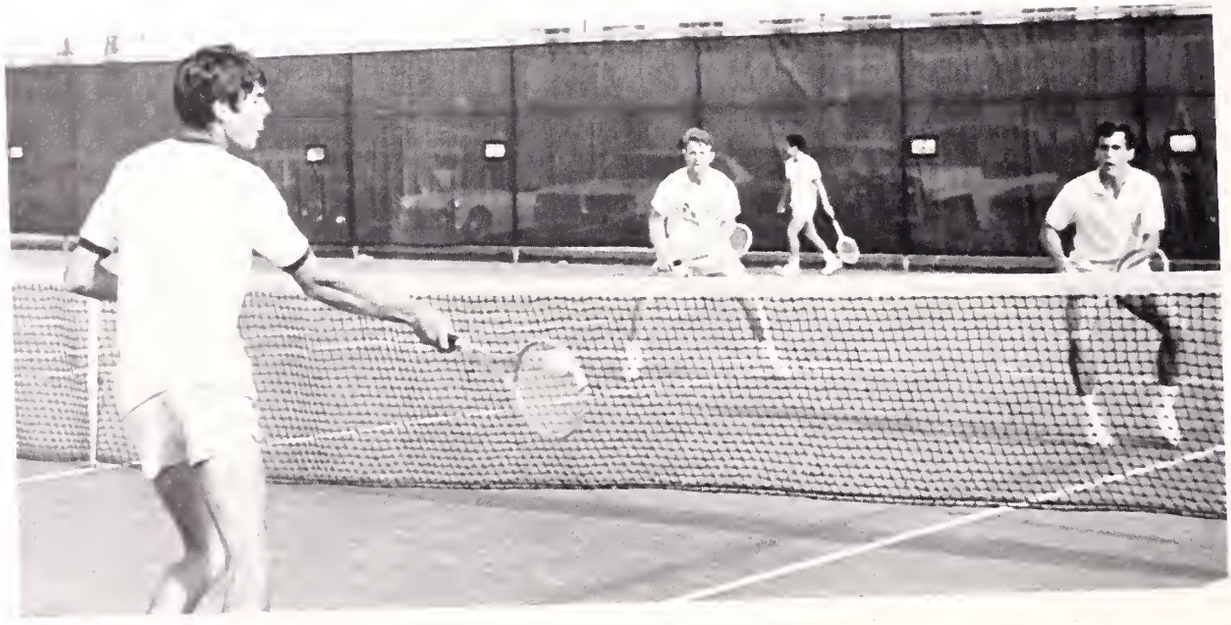
The 1969 SCU Rugby Team, without a coach, and plauged by key injuries, played well despite misfortunes. Outstanding players included: Dick Ghilotti, Phil Amormino, Pete Zell, Mike Forni, Ken Holthouse, and Joe Peterson.

VARSITY

Coached by Sal Taormina, the 1968 Soccer team had its first winning year, posting a 6-4 season. Santa Clara placed two players on the All American team: Tony Tebbutt was chosen second team All American, and Jack Zwissig received Honorable Mention. Despite the loss of five seniors, there is a strong nucleus returning, and the team looks forward to a successful season next year.

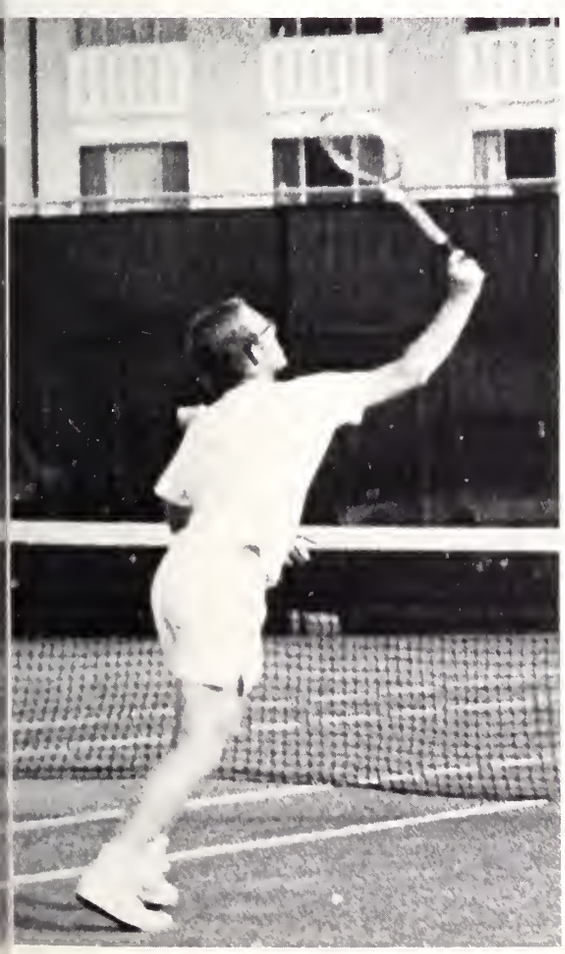
JUNIOR VARSITY SOCCER





TENNIS

The 1969 Varsity Tennis Team faced the longest and roughest schedule in the history of Santa Clara tennis. Among more than fifty opponents were such powerhouses as Stanford, Cal Berkeley, San Jose State, Redlands, and Seattle. Major road trips included Los Angeles, Sacramento, and the Ojai Valley Championships. Coach Greg Kerber, former Redlands player, did a great deal of devoted teaching, vastly improving the team's playing. Team members include co-captains Steve Sutter and Jack Darnell; and Terry Ellis, Frank Williams, Joe McCarthy, Dave DeBoer, Eric Kilhede, and George Thaler.



CREW

In late October the oarsmen begin five day a week workouts, doing calisthenics, weight lifting, and running. These workouts last until February when the rains fill Lexington Reservoir. Then rowing begins: six days a week from 5:45 to 7 AM. In addition, each man runs two miles a day. Over spring break intensive training begins, with rowing twice a day, and a daily 4 mile run. When spring break ends, the crew is formed. The race provides the ultimate test. At the Western Sprints this year, four Santa Clara oarsmen and a coxswain proved they were the best Varsity Four in Western Collegiate rowing.

S/C
S/C
S/C

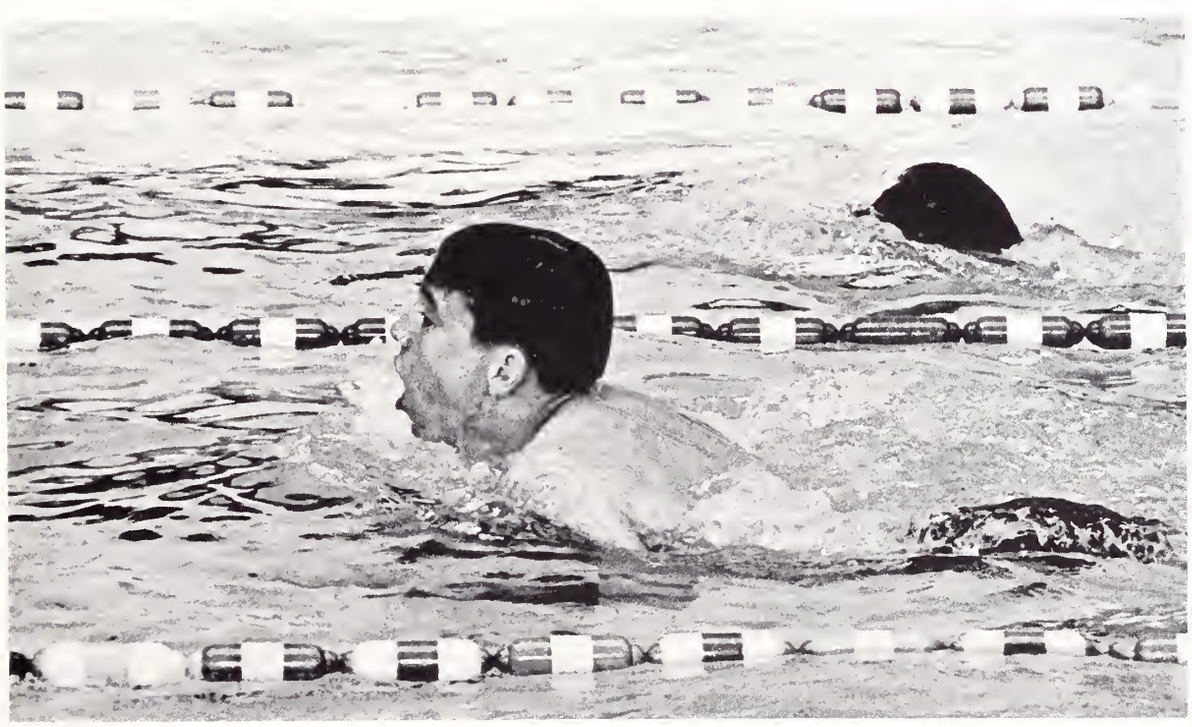
SWIMMING

The SC mermen, coached by Dennis Fosdick, ended 1969 with their first winning season. Led by Captain Tom Knopf, the team was victorious over SF State, USF, Sacramento State, and San Jose State. Senior Tom Knopf dominated the butterfly and fifty free while Jim Thonis led the sprinters. Freshmen Ralph Cooper in the 100 and Jim Hare in the 200 breast and free added precious points in every meet. Another freshman, Jim Perez, doubled consistently in the 500 and 1000 free. Junior Mark Freitas swam, besides his specialty 200 breast, the 200 butterfly and a leg on the medley relay team. Backup men included Gene Belogorsky in the 200 and Tom Brown and Peter Conk in the 500 and 100 free. Freshman diver Gil Gallagher turned in several excellent wins, even though most schools had 3 meter boards which Santa Clara does not have. This year the team will lose only two seniors and hopes to obtain a number of good freshmen next year. Having instilled the winning tradition in the mermen, Coach Fosdick hopes they will continue their winning ways next year.



36

28
27
38

WATER POLO

The Santa Clara water polo team, coached by Bill Argenstine, had an even season. Though plagued with many key injuries, the SC mermen ended up with a very respectable 8-8 record against collegiate opposition. The team, led by Captain Hank "Sieve" Williams, also included such colorful stars as "The Cat" Growney, "Crisco" Thonis, "Choke" Smythe, and "Lip" Wagner. Next year, though the team will lose six Senior starters, there will be five returning lettermen; and with the addition of two all-league high school players and two junior college transfers, the mermen are looking forward to a year of great promise.

FRESHMAN BASKETBALL

The 1968-69 Bronco Freshman Basketball Team compiled a 21-1 record as they showed much promise for the future. Center Mike Stewart, 6'8", led the team in scoring, averaging 22.5 points per game, and came within three points of breaking Mike Gervasoni's 1963 frosh scoring record. Stewart shot a team-leading 71% from the floor and also led in rebounding, averaging 15.5 per game. Five other Bronco yearlings also scored in double figures: forward Bruce Bochte, 13.0, forward Mart Petersen, 12.1, forward-guard Wilbert Miles, 11.8, guard Jolly Spight, 10.7, and guard Alan Hale, 10.0. Among the regular players, Hale edged guard Tom Lunceford in free throw shooting 72% to 71%. Petersen was second in rebounding with a 10.5 average and Bochte was second in field goal shooting percentages with 56%.

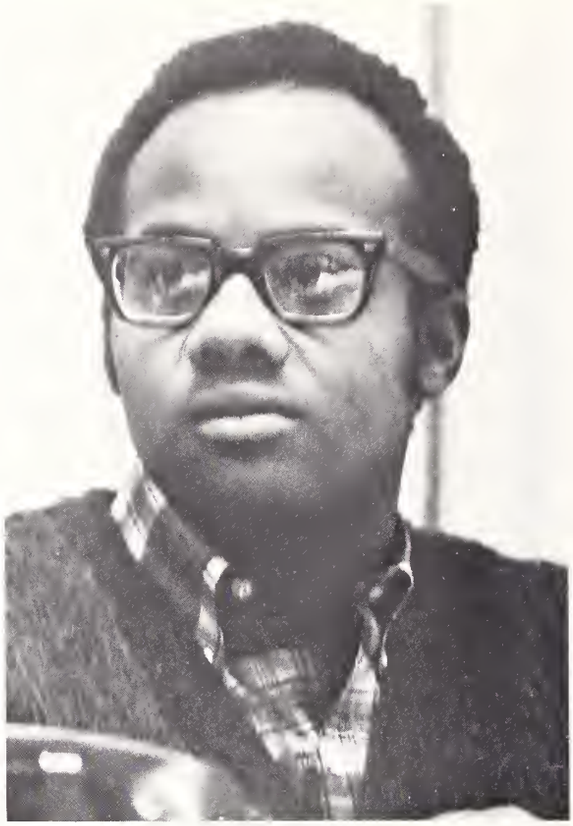
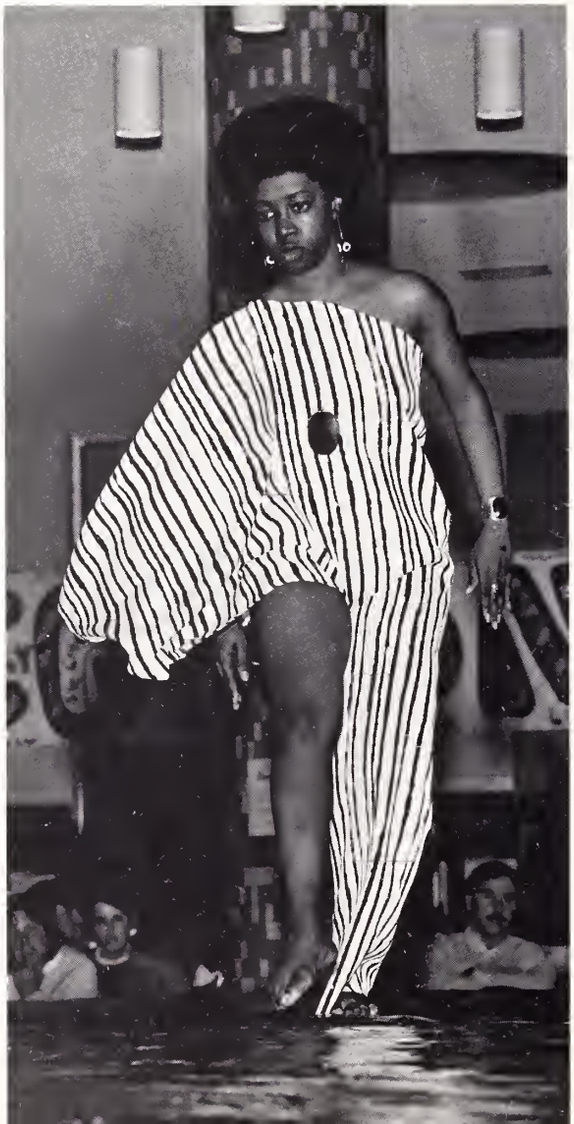
CLUBS





BLACK STUDENT'S UNION

The BSU (Black Students Union) is properly titled THE UNITED BLACK STUDENTS OF SANTA CLARA UNIVERSITY. Their purpose, as stated in the preamble to their constitution, is as follows:

We, the Black Students of the University of Santa Clara, have united for the purpose of increasing the psychological and cultural awareness of Black people regarding their present circumstances. Our aims are to realize a future of dignity, self-determination and liberation.

Secondly, the immediacy of the nature and gravity of the task which must be completed makes it imperative that we Black students mobilize whenever and wherever necessary to initiate and participate in all forms of action calculated to achieve our goals.

Using the method of Direct Action Confrontation in order to affect their purpose, the BSU has made efforts to increase the numbers of minority students on campus.

Because of the efforts of the BSU, the University community has come to realize the urgency of the multitude of social, economic, and political problems that threatens both the nation and the university communities.

SIGMA PI SIGMA PHYSICS SOCIETY

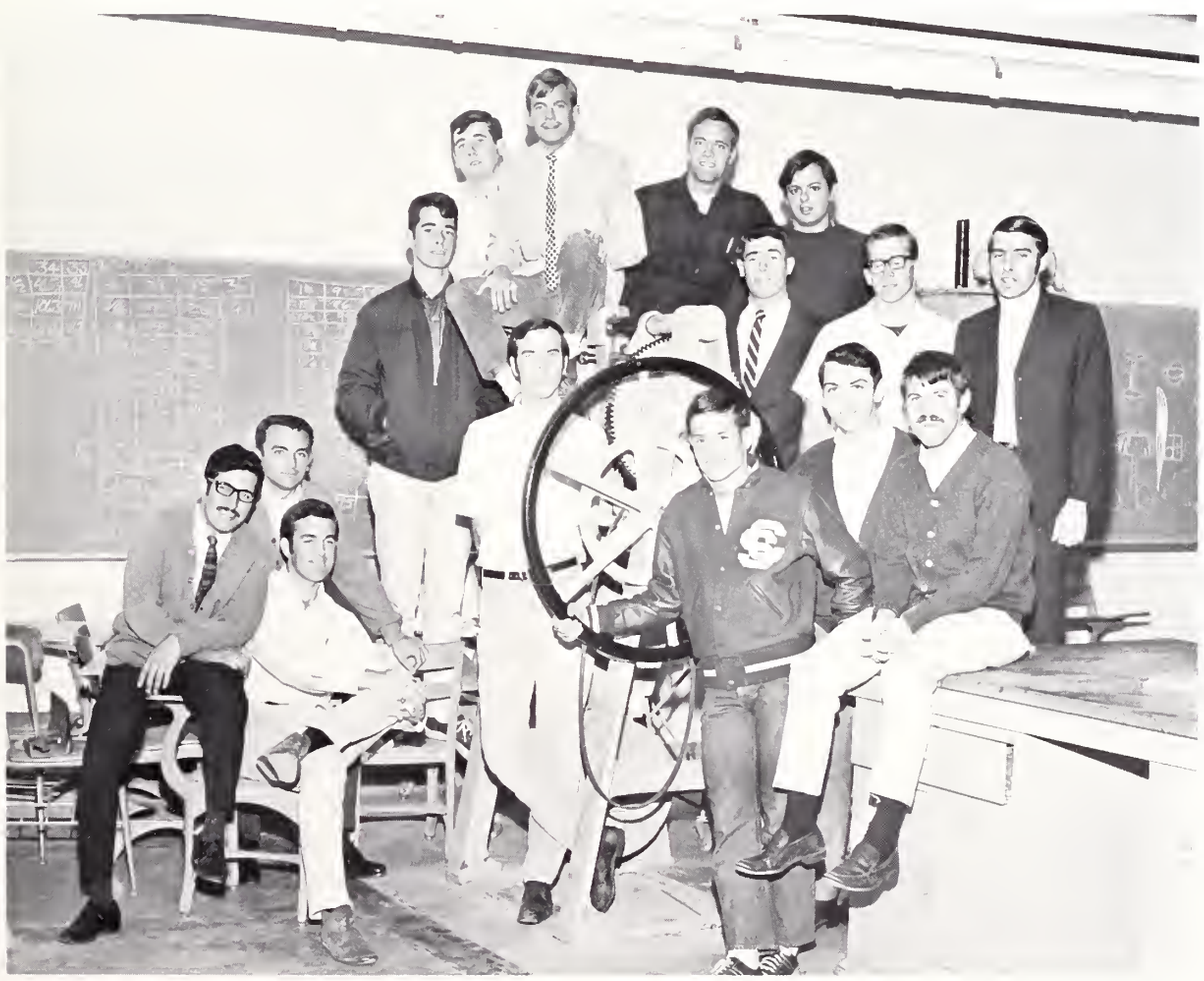
The Physics Society encourages interest and participation in Physics by sponsoring lectures, films, field trips and competitions. The main event this year was the installation of a chapter of Sigma Pi Sigma, the National Physics Honor Society. Membership in Sigma Pi Sigma is determined mainly by scholastic achievement in Physics.

GAMMA PI EPSILON

The national Jesuit honor sorority is dedicated to scholarship and service to the University.

ASCE

The American Society of Civil Engineers promotes student interest in the function and profession of civil engineering through meetings, field trips, and lectures. During the past year, the club established an A.S.C.E. library, featuring theses, books, and periodicals of research interest to the civil engineering student.



RALLY COMMITTEE

With the guidance of Dean Viola Kamena, the Orientation Committee facilitates the incoming freshman's transition into University life, encompassing academic, cultural, religious, and social aspects of the University.

ORIENTATION COMMITTEE

ELECTION COMMITTEE

KAPPA ZETA PHI

CHARLIE GRAHAM

CHEERLEADERS

Gino De Vaurs

Creighton Caspar

Chris Smith, Shawn Harker, Chuck Schmuck, Creighton Caspar

Frank Boitano

BRIDGE CLUB

The Bridge Club provides a nucleus around which the bridge players at the University can unite. The club sponsors two duplicate tournaments every term for all players, team of four competition for the more advanced players, and lessons for those beginners who wish to learn or improve their game. Overtures have also been made to other Bay Area universities to meet in team of four competition.

SPORTS CAR CLUB

ROTC SPONSORS

The ROTC sponsor corps establishes rapport between the military and the co-eds at Santa Clara. This year the sponsors served as hostesses at awards ceremonies and at the Presidential Parade, as well as serving coffee and doughnuts at drill every Wednesday morning.

SKI CLUB

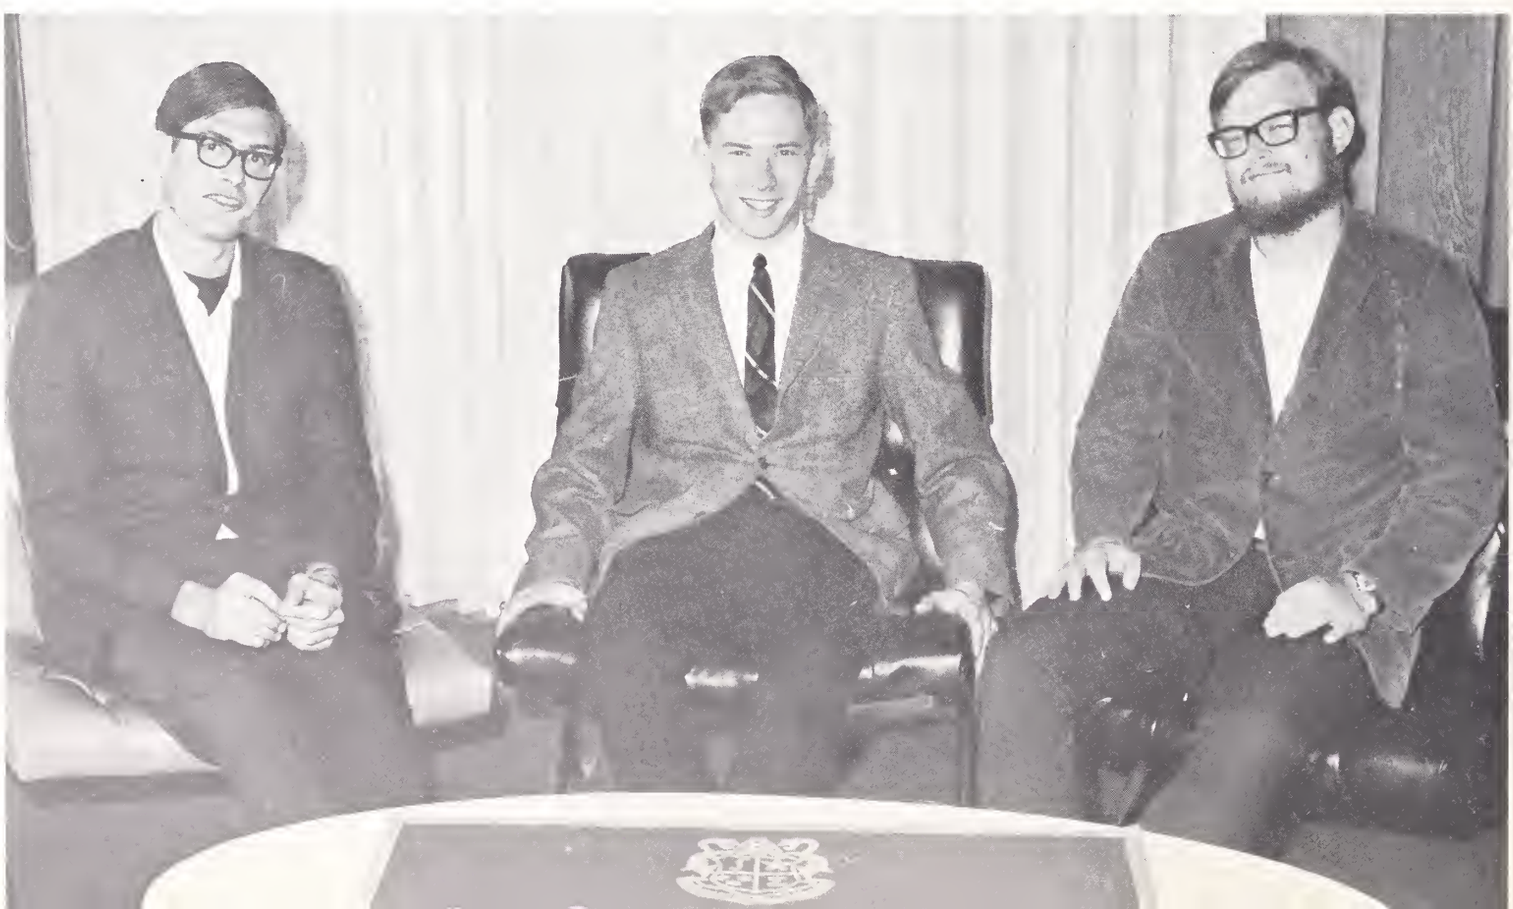
The Santa Clara Ski Club's activities are organized for those Broncos interested in both snow-skiing and water-skiing. This year's activities included a water-skiing trip to Anderson Dam, and a Christmas trip to Lake Tahoe, where the skiers found excellent conditions at Squaw Valley, Alpine Meadows, Incline, and Slide Mountain. The Winter Carnival at Squaw Valley in February included the International World Cup Races. During spring break, enthusiastic members spent a week skiing at Sun Valley, Idaho. Next year's proposals include rumors of jet-setting to the Alps as well as more realistic plans for a trip to Colorado or Idaho.

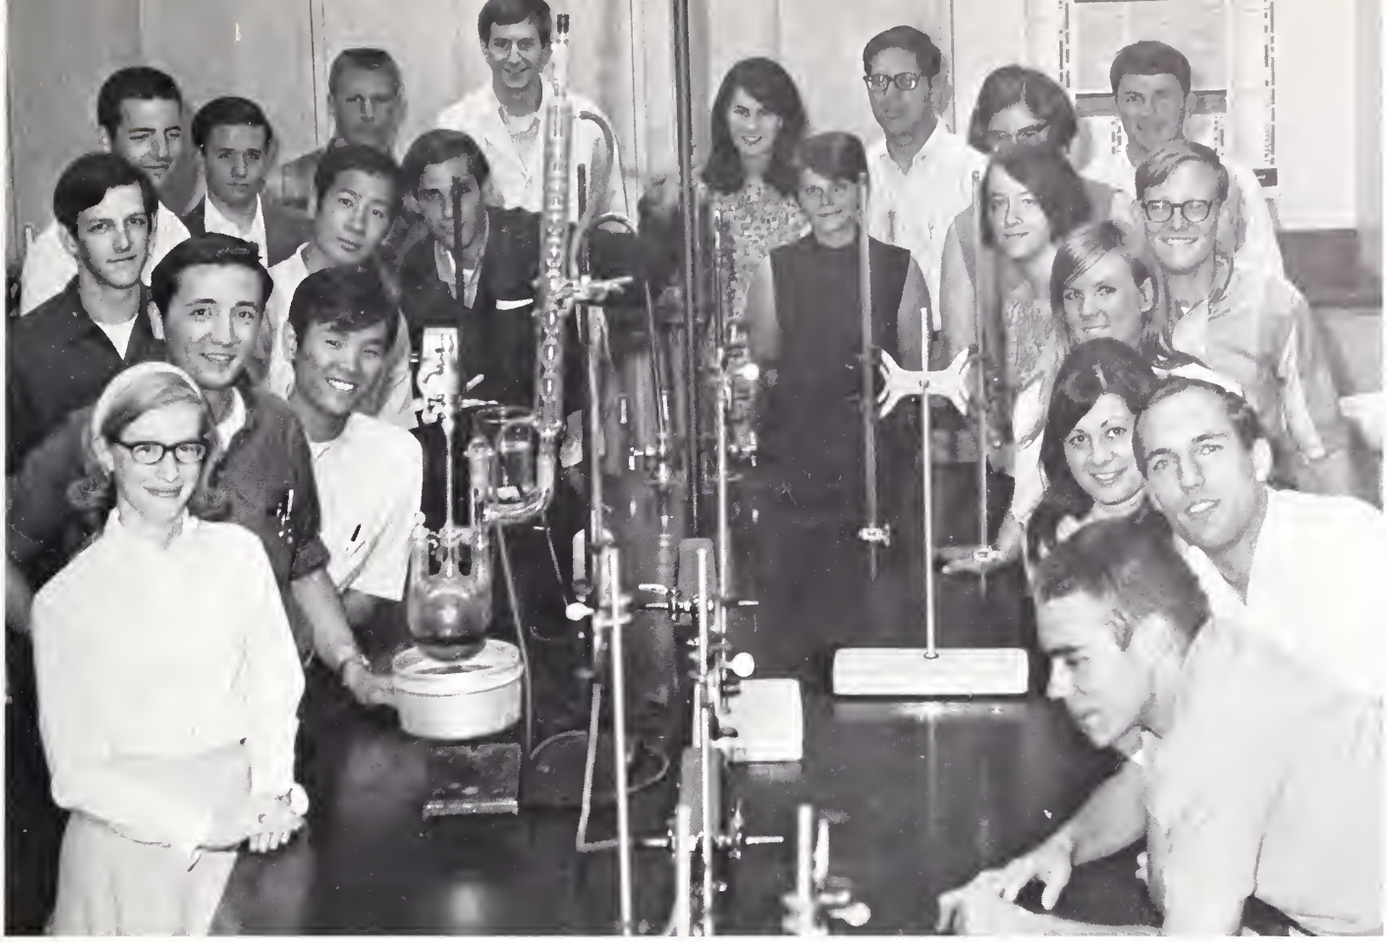
MATH SOCIETY

The Mathematics Society presents lectures, movies, and other events connected with mathematics, including the Annual High School Mathematics Contest, and the Annual Freshman Math Contest.

PI MU EPSILON

Pi Mu Epsilon is a national honorary mathematics fraternity whose purpose is to promote scholarship, especially in the field of mathematics. Santa Clara's California Eta Chapter, chartered in November, 1967, instituted a lecture program this year in which fraternity members gave lectures on mathematical topics at local high schools.





AMERICAN CHEMICAL SOCIETY

The Santa Clara chapter of the American Chemical Society, one of the oldest professional societies on campus, supplements the department curriculum with lectures and field trips aimed at practical and theoretical science.

ALPHA SIGMA NU

Alpha Sigma Nu honors students in Jesuit Universities and Colleges who have distinguished themselves in scholarship, service, and loyalty. This year's fraternity members conducted a University-wide teacher evaluation and published its results.

MENDEL SOCIETY

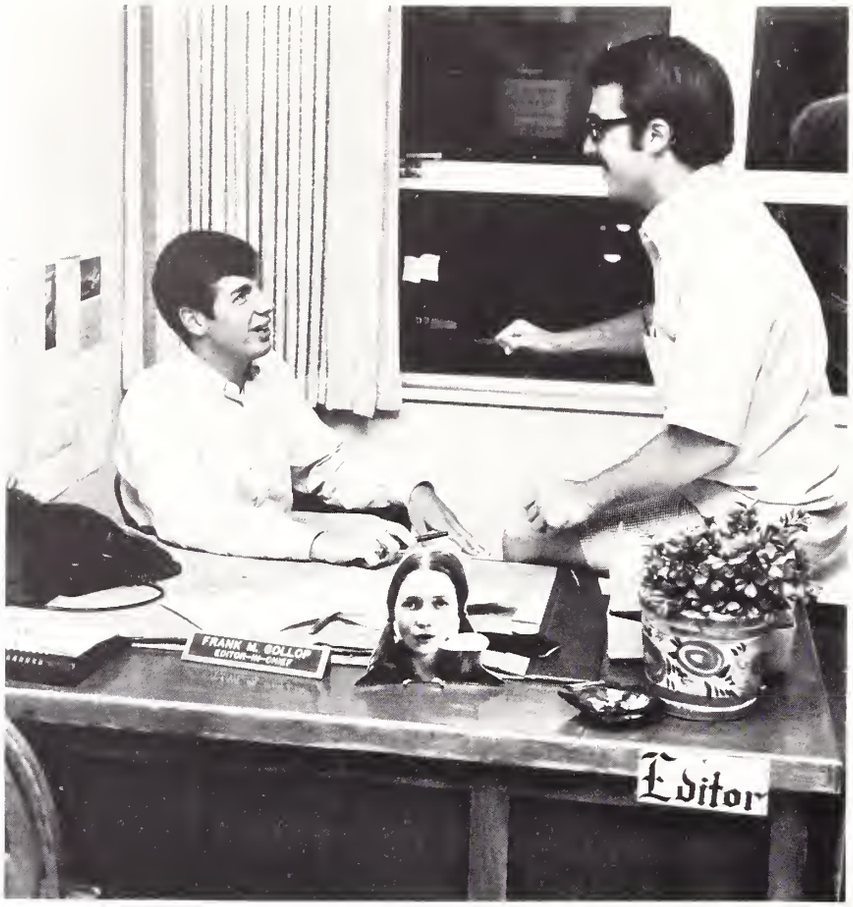
The Mendel Society, deriving its name from the nineteenth century monk and geneticist Gregor Mendel, is open to all students interested in the biological or medical sciences. The Society seeks to inform its members about what is presently occurring in these fields by sponsoring lectures, movies, and group discussions.

I EEE

The student branch of the Institute of Electrical and Electronic Engineers at Santa Clara informs students of electrical engineering progress through field trips, guest lecturers, and a thesis competition.

CHESS CLUB

In its first year in league competition, the Santa Clara Chess Club surprised the established in the Peninsula League by finishing third instead of the seventh or eighth place expected of new teams. Santa Clara's record for the year was fourteen wins and three losses.



Santa Clara Editor Frank Gollop

Managing Editor Bob Barnett

Assigning Editor Carol Koenig

THE SANTA CLARA

The Santa Clara is the University's official student newspaper. Its purpose is to comfort the afflicted, afflict the comfortable, and contribute to awareness on campus. This year *The Santa Clara* was published weekly, supplemented by specials once a term, and extras which responded to spontaneous events on campus.

Associate Editors

Executive Secretary
Sue Bazzano

THE RIFLE TEAM

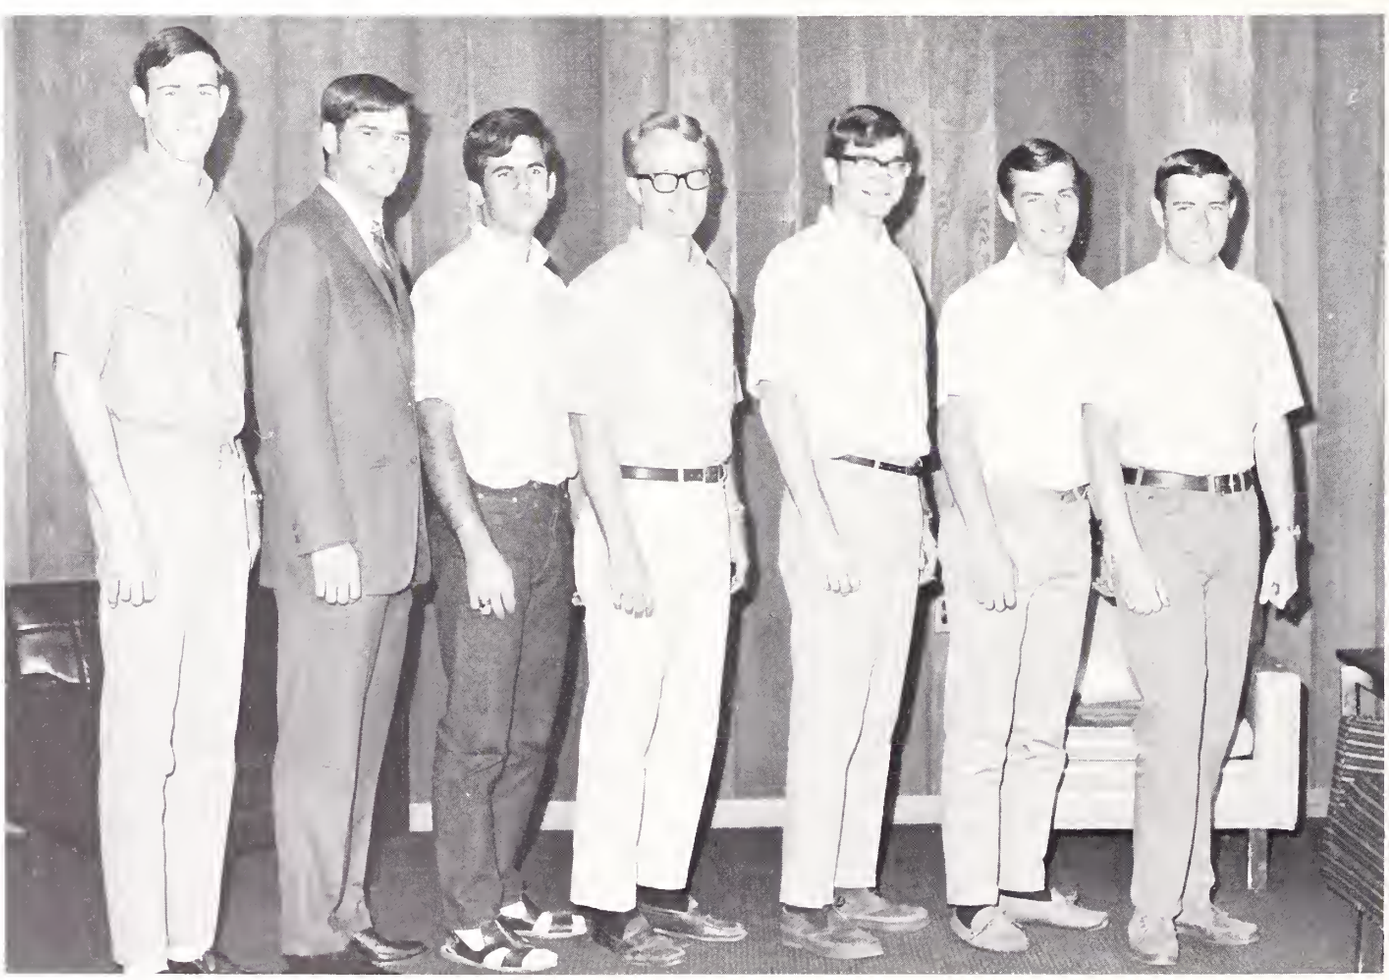
THE ENGINEERING SOCIETY

The Engineering Society, an organization open to all engineering students, is primarily social in nature, sponsoring picnics, banquets, and ski trips for its members.

TAU BETA PI

Tau Beta Pi is the Engineering Honor Society.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS



BUSINESS ADMINISTRATION ASSOCIATION

S.C.C.A.P.

santa clara community action program

The Santa Clara Community Action Program offers the student an opportunity to escape the oftentimes sheltering world of the University and enter into a challenging experience. The programs, geared to getting the student off the campus and into the community are: Alviso Tutoring, Alviso Arts and Crafts, Alviso Sports Programs, Agnew State Mental Hospital, Just Us, On Campus Tutoring, Big Brother, Big Sister, Play Days, Para-Professional (counselling delinquent children), CCD, Amigos Anonymous, East San Jose Tutoring, Juvenile Hall, and the McKinnon School for the Retarded.

DELTA SIGMA PI

Delta Sigma Pi is a professional fraternity, organized to foster the study of business and to promote closer affiliation between the commercial world and students of commerce.

SENATE

SURF CLUB

LAMBDA

Although it changed its name this year and picked up more obligations, Lambda is probably the oldest organization on campus, primarily dedicated to giving assistance at all liturgical functions on campus. This requires lectors, servers, commentators, guitarists, singers and others who aid in various ways to implement recent changes in the liturgy.

PHI ALPHA THETA

Phi Alpha Theta is the international history honor society.

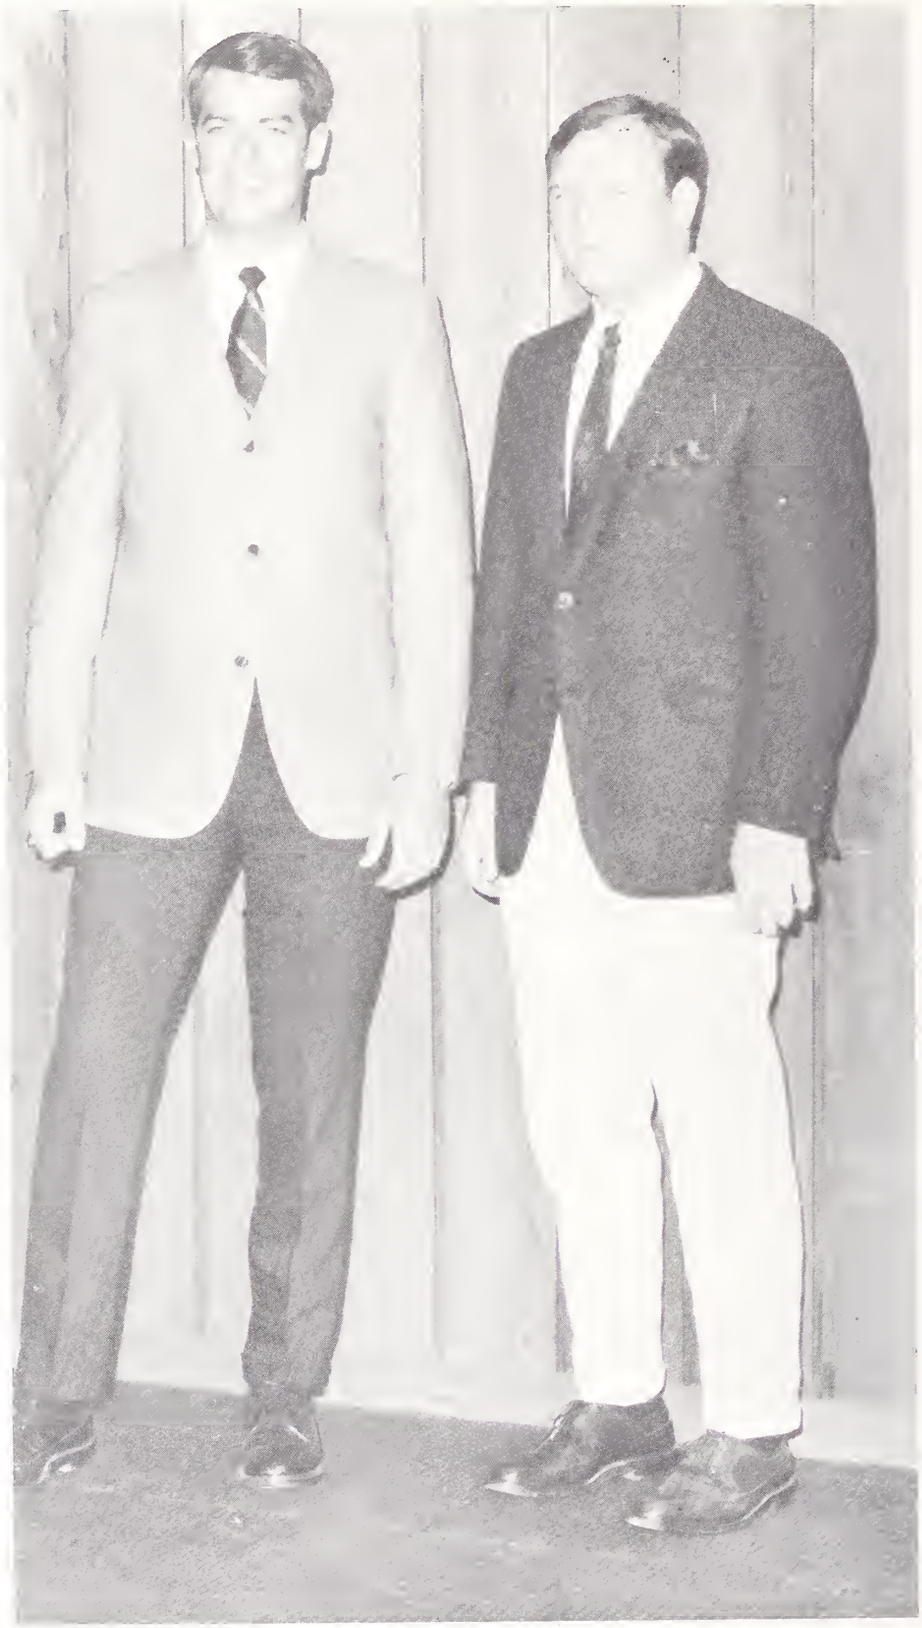
SODALITY

The Sodality is a religiously oriented organization dedicated to the Blessed Virgin Mary. To join the Sodality a new member goes through a one-year candidate period which includes a five day retreat. Apostolic work and frequent Mass and Communion are emphasized.

SCUBA CLUB

INSTRUMENTAL MUSIC SOCIETY

MARKETING CLUB



The Marketing Club provides a dialogue between the business major who is marketing-oriented and the business world. Opportunites are provided for the members to spend time with executives in the field in the "Day with the Salesman" program, and permanent and summer employment in marketing and related fields are also offered.

FLYING CLUB

The Flying Club makes inexpensive flight instruction available to the students of Santa Clara. This year's activities included a fly-in to Watsonville and Sunset Beach and an all-day picnic at Sea Ranch.

WRA

SIGMA DELTA UPSILON

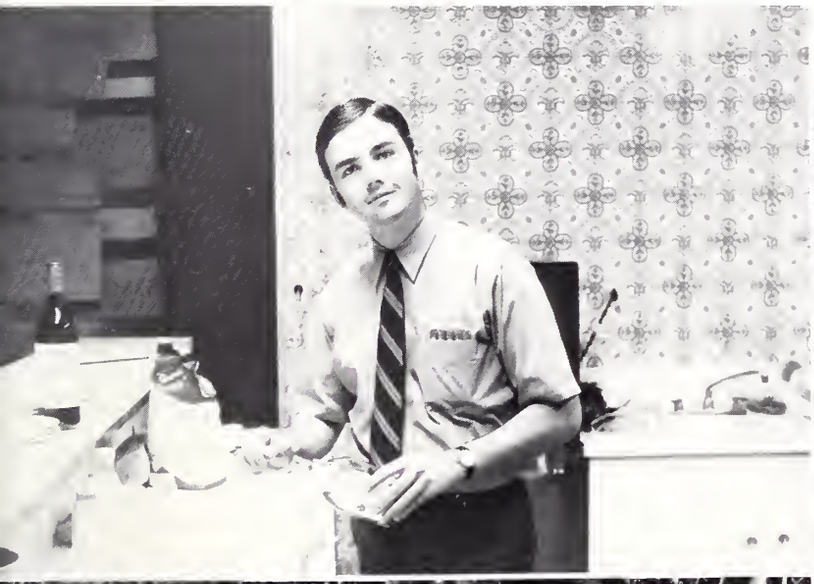
Sigma Delta Upsilon, whose name signifies "service and dedication to the University," helps at University functions where women are needed. This year the club's services included hostessing and serving dinners for the sports organizatinons and at the Inauguration Day Dinner.

25
8

The Epicurean and Fine Arts Society, formed last year, was originally composed of the residents of tenth floor Swig. Membership gradually increased and today over seventy students from all four classes have joined together so that they might better enjoy the epicurean pursuits, ameliorate their cultural appreciation, and encourage others to join in the pursuit of life as an aesthetic adventure.

THE EPICUREAN AND FINE ARTS

SOCIETY



ARCHAEOLOGICAL SOCIETY

The Archaeological Society promotes interest in the culture and history of the earliest inhabitants of California. It is primarily concerned with the discovery, extraction, preservation, and analysis of primary historical evidence in the form of artifacts found in this region.

THE INTERNATIONAL STUDENTS CLUB

The International Students' Club was established to advance understanding among students of all nationalities. The organization sponsors dances, picnics, variety shows, and informal gatherings for the benefits of the club and the school.

AMDG
HUELGA

MEXICAN-AMERICAN STUDENTS

Extending the protest effort of California grape pickers and their nationwide supporters on May 10th, Santa Clara's Mexican-American Students Committee (MASC) brought a picket line to the local Safeway store. Students and community members--from toddler-age upward--marched under "Huelga!" banners to persuade the Safeway chain to stop selling table grapes and to renounce their sale until California farm laborers gain a union.

DRILL TEAM

PERSHING RIFLES

SOCIETY OF UNIFIED DAY STUDENTS

IRISH CLUB

After a year of inactivity the Irish Club came to life again in the fall of '68. Moving in new directions, the club offered membership to women and worked out a Big Brother program with SCCAP.

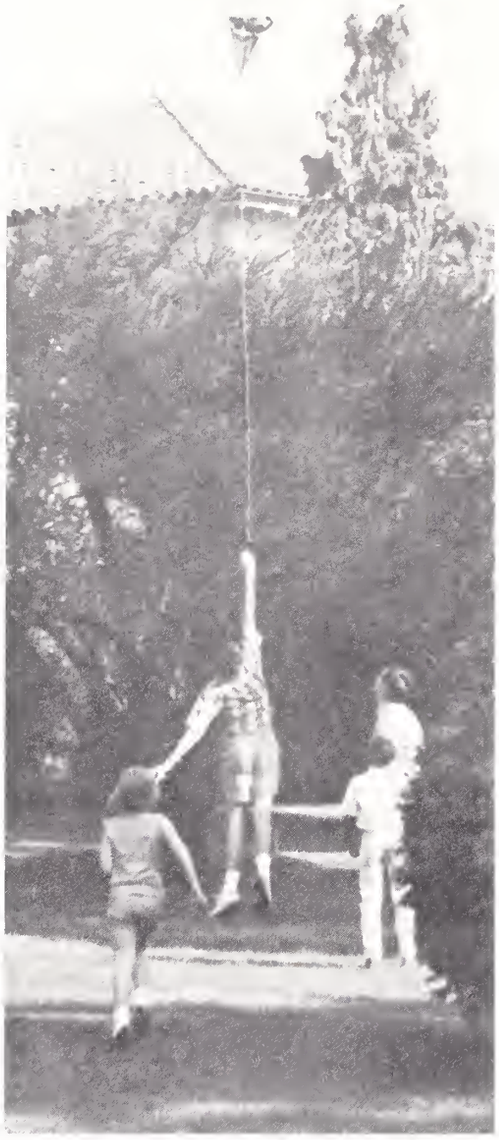
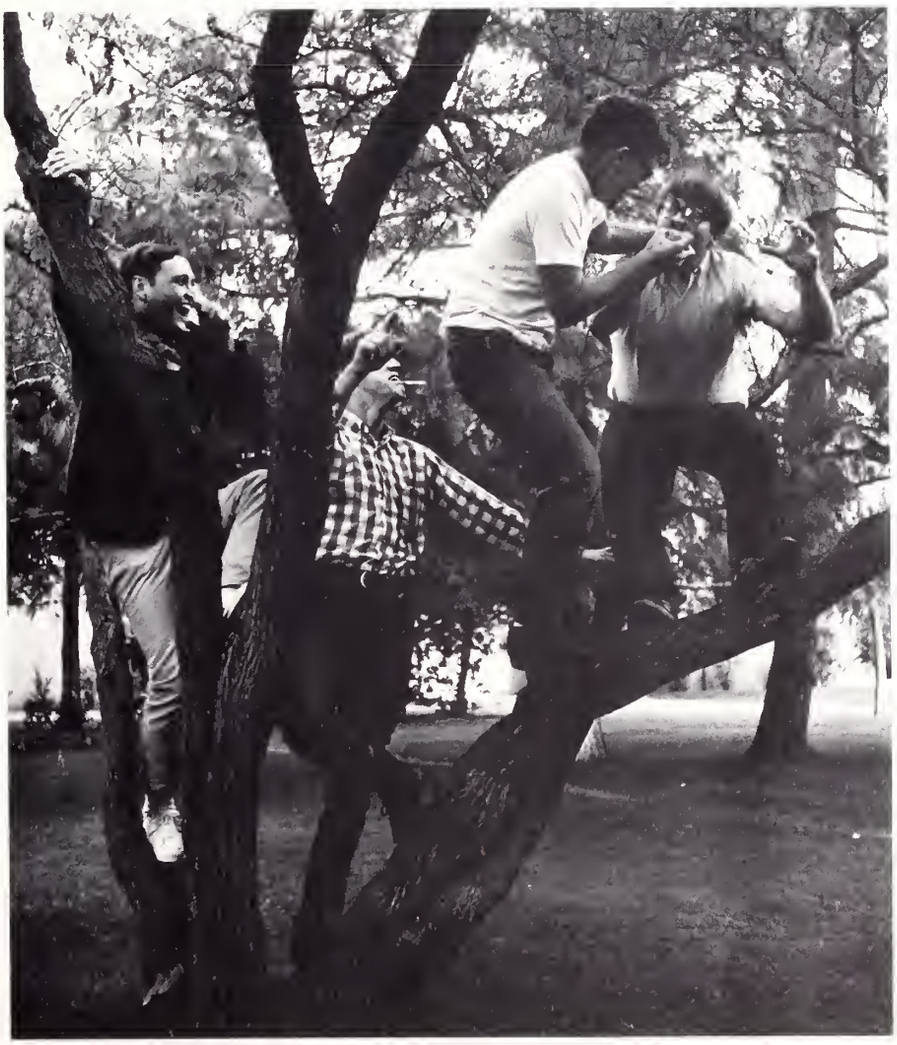
JUNIOR STUDENTS IN VIENNA

Stehplatz at the Staatsoper . . . Heurigen in Grinzing . . . a Strassenbahn and snow . . . quiet afternoons in coffeehouses . . . the local Konditorei . . . and Wienerschnitzel—and how many more memories there are for the students who attended the Institute of European Studies in Vienna. 4 Freyung is the Palais Kinsky, which was once the home of one of Vienna's most important aristocratic families, and which has now been converted into the classrooms and offices of the Institute.





Justin Smith
Senior Class Vice President

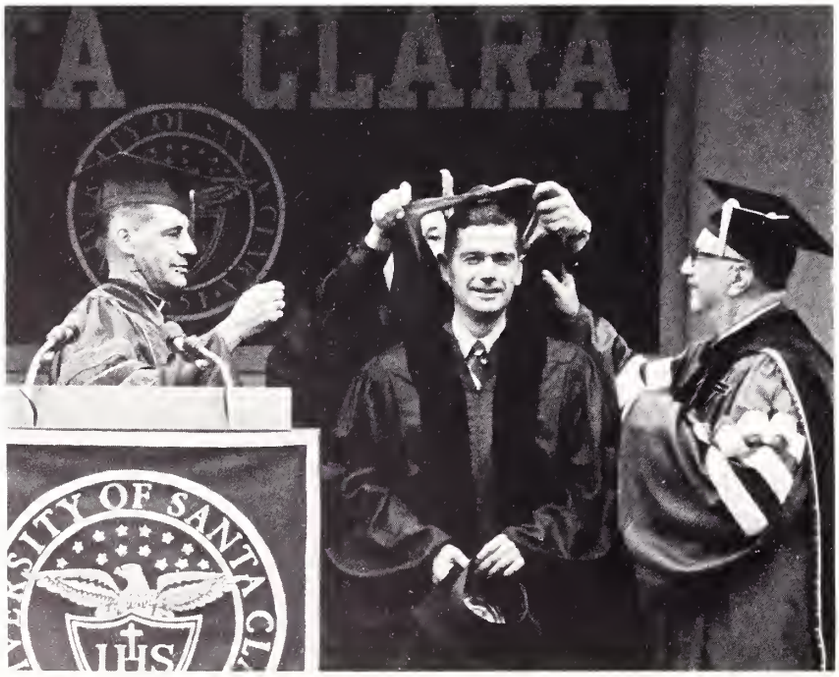
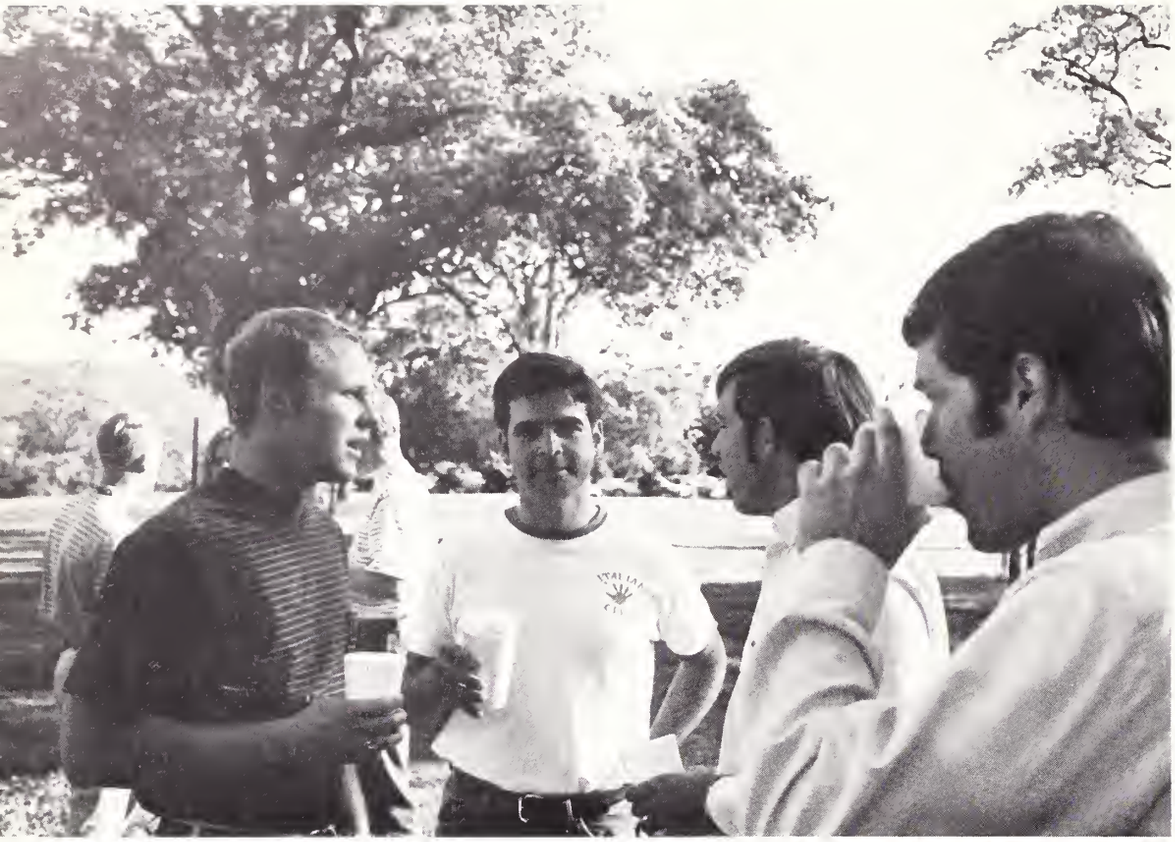
Time it

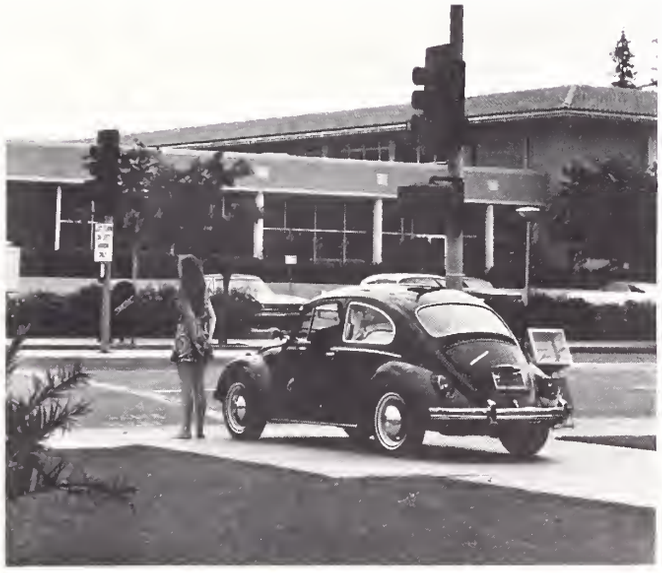


was



and what a time it was

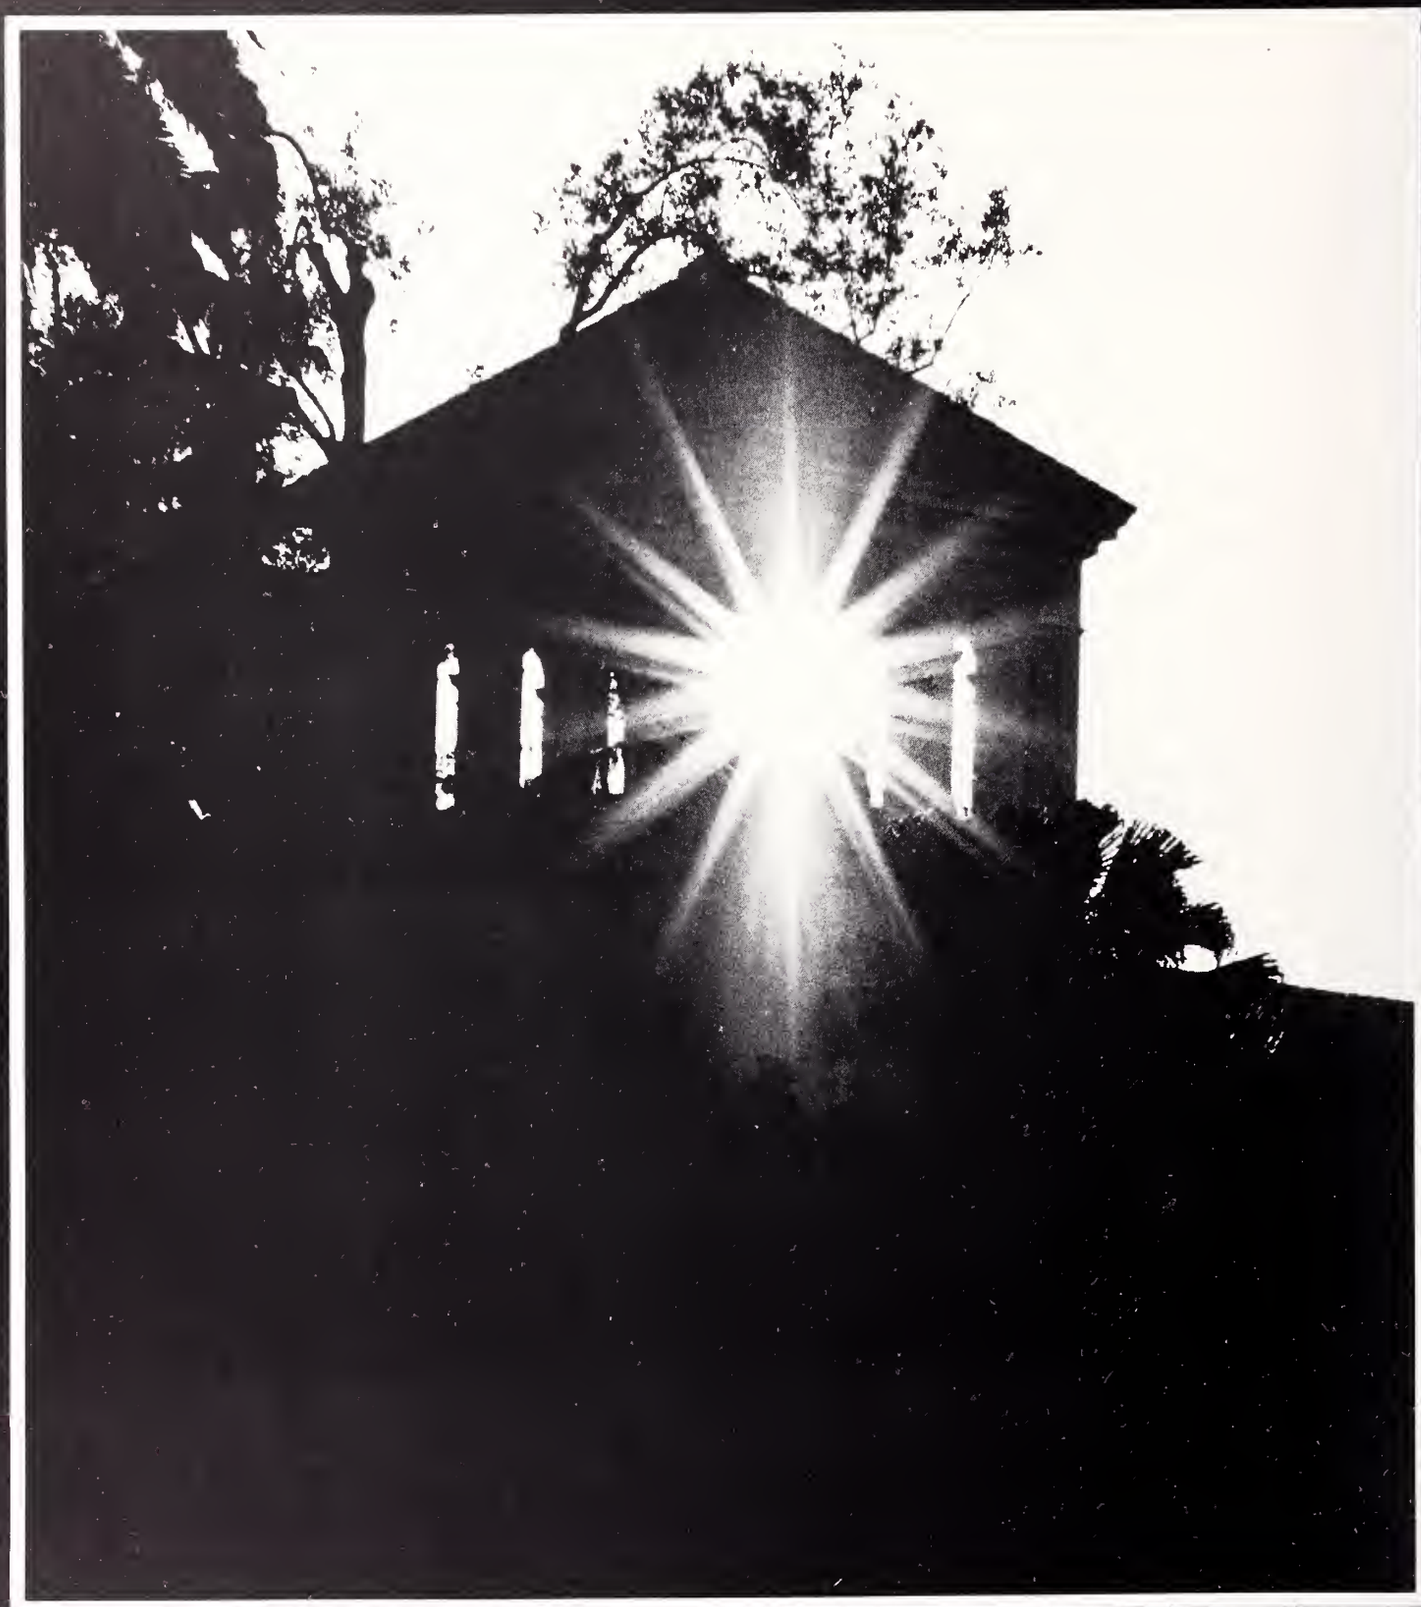
it was



a time of innocence

a time of confidences

Long ago it must be



I have a photograph

Preserve your

memories . . .

Plumed Horse

14555 Big Basin Way — Cocktails ~ Fine Wines

PLUMED HORSE
Big Basin Road
Saratoga
Telephone: 867-4711
Hours: 11:45-2, 5-10
Sun, 4-9; Cl. Mon

Nestled against the Santa Cruz mountains in the little village of Saratoga is a charming Old Western inn, only a short drive from Palo Alto or San Jose. Before Frances Anderson bought the Plumed Horse in 1963, she was a noted hostess and gourmet cook. She brought to her first restaurant venture many of her own recipes and a gracious charm with her guests. You may dine amid Victorian elegance in the Bonanza Room or amid Early California antiques (including a replica of an old country kitchen) before a fire in the Pioneer Room. Specialties include Rocky Mountain Trout, Abalone, Lobster Tail (baked in wine) and home-made desserts.

DINNER

Price of Entree includes Soup, Salad and choice of Dessert

Chicken Saute Vienna, breast of chicken with sour cream and herbs	3.95
Chicken Saute, mushroom sauce	3.95

Among other things, IBM computers are helping scholars to find what the poet Shelley learned from the works of Milton—helping scientists to track the erratic flight paths of the whooping crane—helping historians to deduce precise shades of meaning in the Dead Sea Scrolls—helping astronomers get close-up pictures of the eerie face of Mars —and helping oceanographers, sailing the lonely reaches of the east tropic Pacific, determine the course of an equatorial undercurrent.

IBM *When people are seeking information, it's amazing how often* IBM *computers can help.*

I was extremely lucky this year not only to have had the opportunity to meet many new people through this job but also to work with some outstanding people on my staff who, through their creativity, suggestions, and hard work contributed so much to the planning, photography, layout, copy, and actual pasting of the book. To my entire staff—a million thanks. And to those special few who stayed with the book through the last harrowing hours until its final completion and delivery to the publisher—even more than thank you—there just aren't words to express what it meant . . .

It doesn't seem possible that already the year has ended and with it the deadlines, frustrations, late night laughs, early morning headaches, and everything else that go into making a yearbook. It's been a compleat year, and I only hope that this book will preserve for each of you important memories of 1968-69 at Santa Clara; if it makes you smile, laugh, think, remember—then it's fulfilled its purpose.

AMERICAN YEARBOOK COMPANY
